

Adventskalendertuch 2023/ Advent Calendar Shawl 2023 von Utlinde/ by Utlinde

Measurements of shawl shown here: 150 cm to 64 cm

Pattern notes: This shawl consists of 6 triangles, which form a half dodecagon also nearly a half circle. It is knitted with short row, so that there are crescent segments. To finish the shawl an edging is knitted across the mainbody, which will be joined with the selvedge. Because this is an Advent Calendar, every day one part of the 24 parts will be published during the Advent time beginning with the December 1st.
