**GFWC California Federation of Women's
Clubs**

121ST Annual Convention

May 16-18, 2024

**Holiday Inn San Jose – Silicon Valley
GFWC CALIFORNIA FEDERATION OF WOMEN'S CLUBS**

OFFICIAL CALL TO CONVENTION 2024

May 16-18, 2024

CFWC Board Members, Club Presidents, Delegates and Members:

This is your official CALL to the 121st Annual Convention of the GFWC California Federation of Women's Clubs (CFWC). This CALL contains information about Convention Sessions, activities, events, meals, registration and delegate information. It also contains the proposed amendments to our GFWC/CFWC Bylaws and proposed Resolutions for your consideration. Please study them and caucus within your clubs/districts before arriving at the Convention. No copies of the proposed Bylaw Amendments and proposed Resolutions will be available at the Convention, so it is important that you bring this CALL with you to the Convention. Members may view and download copies of this CALL, Bylaws and Resolutions from our website: www.cfwc.org. If you have any questions or problems, please contact Mary Sprague (MLSPRAGUE@sbcglobal.net) or Kathi McGraw (glenn.mcgraw@ca.rr.com) Convention Co-Chairs.

Club Presidents: It is your responsibility to make sure your delegates receive or download copies of this CALL and the Registration Form. Non-voting members who plan to attend will need copies as well to insure they are informed and prepared to expedite business. Please adhere to all deadlines.

Convention is open to ALL members! It is a time to meet other clubwomen, gather new inspiration from our speakers and workshops and experience the camaraderie of Federation.

President's Welcome

Aloha to the 121st CFWC Convention!

Dear Members and Friends:

Thank you all for attending and we are here to honor you and all your good deeds throughout the past year!

Thank you for all you do, to help families, clubs, communities, districts, and CFWC!

You are cherished and valued, and if I don't say it often enough, appreciated every day for your many acts of kindness and the care and concern you give to others.

Your reports were amazing, and CFWC salutes you all!

You all will have a special treat, as Jolie Frankfurth of GFWC, will be our honored guest and give us GFWC updates on Friday and have a workshop on Saturday morning to teach us some new ideas.

This year you will once again enjoy a chairman's fair, and it is a lot of fun to see what the CFWC Chairs have been doing over the past year!

There will be a Celebration of Life as we honor the lives of sisters in Federation that have gone on before us and as we miss them, we are forever grateful for their club work and life's journeys in CFWC.

A big item is you will be voting on Friday is the election of new officers for the 2024-2026 term administration and you will decide on the incoming leaders.

There will be an incoming reception for Sonya Matthies, who will be installed on Saturday night with the rest of the CFWC Executive Committee, so please be there to share their happiness and goals.

You will hear CFWC officers, District President updates, vote on recommendations and bylaws, and talk and visit with many members and friends we haven't seen since the February Boards in Milpitas.

There will be other workshops available for you to attend, Sonya Matthies will host a 1st VP workshop, Wendy, 2nd VP, and her team will do a membership workshop, there will be a communications workshop, with Sonja Hults, Chairman, and her team. an Amenities workshop with Libby Buckley, and I will have a President's workshop, and we all are looking forward to entertaining you and sharing information about our jobs that many of you will be taking over in your clubs and districts. Programs and awards and fun and laughter as we join to celebrate You and your accomplishments. You will receive the information on all the reports and what transpired in 2023.

Again, thank you for joining us at the Holiday Inn in San Jose.

A huge Thank you to Mary Sprague and Kathi McGraw for the many hours they put in to make this convention special and meaningful to each of us. Thank you both!

It has been my honor and privilege to be your CFWC President the past two years and I Thank you for the good times we have shared.

You are forever in my heart.

Love and Aloha,

Barbara

Voting Delegates should be in their Area meeting rooms within 10 minutes following recess. Non-voting members may attend on a space available basis after voting delegates have been seated.

SPEAKERS/ENTERTAINMENT

Thursday Banquet – Hawaiian Dancers

ESO – Amy S. Peele Spicy

Bio on Amy S. Peele Spicy, Sexy Story Mystery Writer, and Improv Performer Amy S. Peele has been an RN since 1974. She discovered her passion for organ transplantation when she started as a transplant coordinator at the University of Chicago in 1976. She enjoyed a thirty-five career in transplantation before retiring in 2014 from the University of San Francisco, which has one of the largest and most successful transplant programs in the US. Peele has a love for comedy and Improv and graduated From Second City Players Workshop in 1985 in Chicago. She has been writing for over fifteen years. In addition to killing people and using their organs in her mysteries, she enjoys medication, teaching, swimming, and pursuing

her spirituality.

Friday Banquet – Jolie Frankfurth, GFWC 2nd Vice President

A member of the GFWC Board of Directors since 2008, Jolie has been an integral part of the decisions that will take this organization into the future.

As GFWC Second Vice President, Jolie works closely with GFWC Chairmen and assisted them with the process of updating the 2022-2024 GFWC Club Manual. She also successfully served GFWC as Treasurer, Secretary, and Director of Junior Clubs, and has been a strong member of the Strategic Planning Committee for 8 years.

Jolie utilizes her unique leadership experiences to help organization leaders recognize the value of maintaining cohesive objectives while preserving individual uniqueness in accomplishing goals. She has a leadership style that fosters change, builds loyalty, and encourages others to be a part of the decision-making process.

Jolie is a graduate of the University of South Florida with a master's degree in educational leadership and a bachelor's degree in business/vocational education. Her teaching experience aids in leadership training, conflict resolution, public speaking, and crafting club models. Jolie has trained adult students in Business Management, Forms Design, closed captioning, and various software applications.

Her hobbies include fishing, paddle boarding, golfing, and adventures – but not zip-lining! She spent her young life traveling in a military family, but Jolie and her husband, Tom, have lived in Tampa for 30 years. Their two children have graduated college and are working out-of-state.

Jolie is excited to be a part of creating the future of GFWC.

Saturday Lunch – Paws for Purple Hearts

Paws for Purple Hearts is the world's only service dog organization for wounded Service Members and Veterans that partners with Bergin College of Canine Studies. Bergin College is the first and only college in the world that focuses on training and learning about dogs. It was founded and continues to be led by the famous canine researcher and inventor of the service dog

concept, Dr. Bonnie Bergin.

Through its unique mission to advance human-canine studies, it produces the some of the best service dog trainers and highest quality assistance dogs. Although Paws for Purple Hearts is now separate from Bergin College, all of our trainers are Bergin graduates.

PROPOSED CHANGES TO THE BYLAWS AND STANDING RULES

CFWC CONVENTION, 2024

In addition to any amendments that are adopted at the 2024 convention, the 2024 Bylaws, when published may contain several editorial changes. Editorial changes are changes that do not affect either the meaning or the application of the Bylaws, and therefore do not require a vote by the membership. Usually, these are changes that are necessitated by an amendment to the Bylaws or a change in terminology. For example, following the insertion of new sections or item, the remaining items will be renumbered as necessary. In addition, the document will be proofread for punctuation and spelling errors before publication.

ARTICLE IV MEMBERS

Section 4.2 Termination of Membership

CURRENT WORDING	PROPOSED AMENDMENT	IF ADOPTED, TO READ
NEW	Members whose activities and purposes have been proven to be incompatible with those of CFWC shall be removed from membership by a two-thirds vote of the club.	Members whose activities and purposes have been proven to be incompatible with those of CFWC shall be removed from membership by a two-thirds vote of the club.

Rationale: Compliance with GFWC bylaws.

PROPOSED RESOLUTIONS REVIEW FOR 2024 CFWC CONVENTION

RESOLUTIONS THAT REMAIN IN COMMITTEE TO BE RE-WRITTEN AND PRESENTED AT 2024 CONVENTION

2022-08 THE ENERGY INNOVATION AND CARBON DIVIDEND ACT (HR 2307) (PROPOSED 2023 AND RETURNED TO THE COMMITTEE FOR PLAIN ENGLISH REWRITE)

Whereas, the United Nations Intergovernmental Panel on Climate Change (“IPCC”) issued a special report in October 2018 on the impacts of global warming of 1.5oC or more between 2030 and 2050 if carbon emissions are allowed to increase at the current rate; and Whereas, according to the IPCC report, we have only 12 (now 8) years left to make massive and unprecedented changes to global energy infrastructure to limit global warming to moderate levels; and Whereas, the United States government released its Fourth Annual Climate Assessment in November 2018 reporting that the impacts of climate change are already being felt in communities across the country, and that more frequent and intense extreme weather and climate-related events, as well as changes in average climate conditions, are expected to continue to damage infrastructure, ecosystems, and social systems that provide essential benefits to communities; and Whereas, the state of California is already experiencing severe impacts from record-breaking wildfires, coastal sea-level rise, severe, prolonged drought, and longer and more frequent heat-waves; and Whereas, conservative estimates by the world’s climate scientists state that, to achieve climate stabilization and avoid cataclysmic climate change, emissions of greenhouse gasses (“GHGs”) must be brought to 80-95% below 1990 levels by 2050; and Whereas, presently the environmental, health, and social costs of carbon emissions are not included in prices paid for fossil fuels, but rather these externalized costs are borne directly and indirectly by all Americans; and

Whereas, to begin to correct this market failure, Congress can enact the Energy Innovation and Carbon Dividend Act to assess a national carbon fee on fossil fuels based on the amount of CO2 the fuel will emit when burned and allocate the collected proceeds to all U.S. households in equal per-capita shares in the form of a monthly dividend; and Whereas, as stated in the Energy Innovation and Carbon Dividend Act, a national, revenue-neutral carbon fee starting at a relatively low rate of \$15 per ton of CO2 equivalent emissions and resulting in equal charges per ton of CO2 equivalent emissions potential in each type of fuel or greenhouse gas should be assessed to begin to lower what are now dangerously high CO2 emissions. The yearly increase in carbon fees including other greenhouse gasses, shall be at least \$10 per ton of CO2 equivalent each year, with the provision that the annual increase will be \$15 per ton of CO2 equivalent if statutory goals are not met; and WHEREAS, the Energy Innovation and Carbon Dividend Act specifies that, in order to protect low and middle income citizens from the economic impact of rising prices due to the carbon fee, equal monthly per-person dividend payments shall be made to all American households (one-half payment per child under 19 years old) each month from the fossil fuel fees collected. The total value of all monthly dividend payments shall represent 100% of the net carbon fees collected per month; and Whereas, the Energy Innovation and Carbon Dividend Act encourages market-driven innovation of clean energy technologies and market efficiencies which will reduce harmful pollution and leave a healthier, more stable, and more prosperous nation for future generations; and Whereas, the Energy Innovation and Carbon Dividend Act will, after 12 years, lead to a decrease in America’s CO2 emissions of 40%, and an increase in national employment of 2.1 million jobs in 10 years; and

Whereas, as stated in the Energy Innovation and Carbon Dividend Act, a national, revenue-neutral carbon fee starting at a relatively low rate of \$15 per ton of CO2 equivalent emissions and resulting in equal charges per ton of CO2 equivalent emissions potential in each type of fuel or greenhouse gas should be assessed to begin to lower what are now dangerously high CO2 emissions. The yearly increase in carbon fees including other greenhouse gasses, shall be at least \$10 per ton of CO2 equivalent each year, with the provision that the annual increase will be \$15 per ton of CO2 equivalent if statutory goals are not met; and WHEREAS, the Energy Innovation and Carbon Dividend Act specifies that, in order to protect low and middle income citizens from the economic impact of rising prices due to the carbon fee, equal monthly per-person dividend payments shall be made to all American households (one-half payment per child under 19 years old) each month from the fossil fuel fees collected. The total value of all monthly dividend payments shall represent 100% of the net carbon fees collected per month; and

Whereas, the Energy Innovation and Carbon Dividend Act encourages market-driven innovation of clean energy technologies and market efficiencies which will reduce harmful pollution and leave a healthier, more stable, and more prosperous nation for future generations; and

Whereas, the Energy Innovation and Carbon Dividend Act will, after 12 years, lead to a decrease in America's CO2 emissions of 40%, and an increase in national employment of 2.1 million jobs in 10 years; and Whereas, border adjustments (carbon content-based levies on products imported from countries without comparable carbon pricing, and refunds to our exporters of carbon fees paid) can maintain the competitiveness of U.S. businesses in global markets; and

Whereas, for efficient administration, the fossil fuels fee can be applied once, as far upstream in the economy as practical, or at the port of entry into the United States; and Whereas, a national carbon fee can be implemented quickly and efficiently, and will respond to the urgency of the climate crisis because the federal government already has in place mechanisms, such as the Internal Revenue Service, needed to implement and enforce the fee, and already collects fees from fossil fuel producers and importers; and

Whereas, a national revenue-neutral carbon fee would make the United States a leader in mitigating climate change and in the clean energy technologies of the 21st century and would provide incentive to other countries to enact similar carbon fees, reducing global CO2 emissions without the need for complex international agreements; and Whereas, the California Federation of Women's Clubs has demonstrated a long-standing commitment to addressing environmental issues; and Whereas, the international organization, General Federation of Women's Clubs has demonstrated a long-standing commitment to addressing environmental issues; Therefore, GFWC California Federation of Women's Clubs hereby urges the United States Congress to enact without delay the Energy Innovation and Carbon Dividend Act (HR 2307), and that this Resolution, shall be sent to the President of the United States and the Vice President of the United States, to the Speaker of the House of Representatives, to the Majority Leader of the Senate, to each U.S. Senator and Representative from the State of California in the Congress of the United States, and to the General Federation of Women's Clubs urging each state to pass similar resolutions.
