

AJ HOOVER

245 8th st #1122, Winchester Bay OR 97467
 (541) 361-0617 | ajhoover@rubberbandboys.com

BACKGROUND

I have been racing ATVs and dirt bikes for 20 years with many great results. I am now branching into UTV offroad racing. I have a great team and network, we call ourselves Rubber Band Racing.

I am self employed, the owner of Huck goggles and a few other companies. I have extensive knowledge in graphic design, video editing, photography, videography and a degree in product design. Choosing a path, and charging it is what I do. Offroad is in my blood. My motto is Just Huck it.

I am well known in the offroad community due to my dune jumping videos, GP racing, and my goggle brand. Also heavily involved with events such as Dunefest and the UTV takeover series. I have quite a few popular social media accounts that I own or help manage. My team has large followings as well I was a professional ATV/ dirt bike mechanic for 9 years, we also have a fabricator, and a film crew on the team. Our goal is to become a household name in the desert racing/ ultra 4 scene. We would love to promote and represent your brand.
