

Advertise in the East End Historical District Association (EEHDA) Newsletter

Your advertising sponsorship not only helps support the East End Historical District Association but it also helps you reach an interested, engaged audience for your product or service

Each month approximately 300 copies of the electronic EEHDA Newsletter are emailed to our members, as well as Galveston City Council Members, key City leaders, and other historic Civic associations.

Below are the descriptions and prices for our advertising opportunities and the ordering form. We can utilize your existing graphics or work with you to design one for the Newsletter. We also link your website to your ad so one click takes potential customers right to it.

Please contact Rebecca Goodwin at rbccgoodwin@gmail.com for more details.

We will contact you via email 1 month prior to the end of your 12 month period to remind you about renewal

We encourage our members to shop local!
