## Foreword

**I thank my mother, Nileena, for all the encouragement, all the appreciation, and all the acknowledgement that she has given to me in writing this book.**

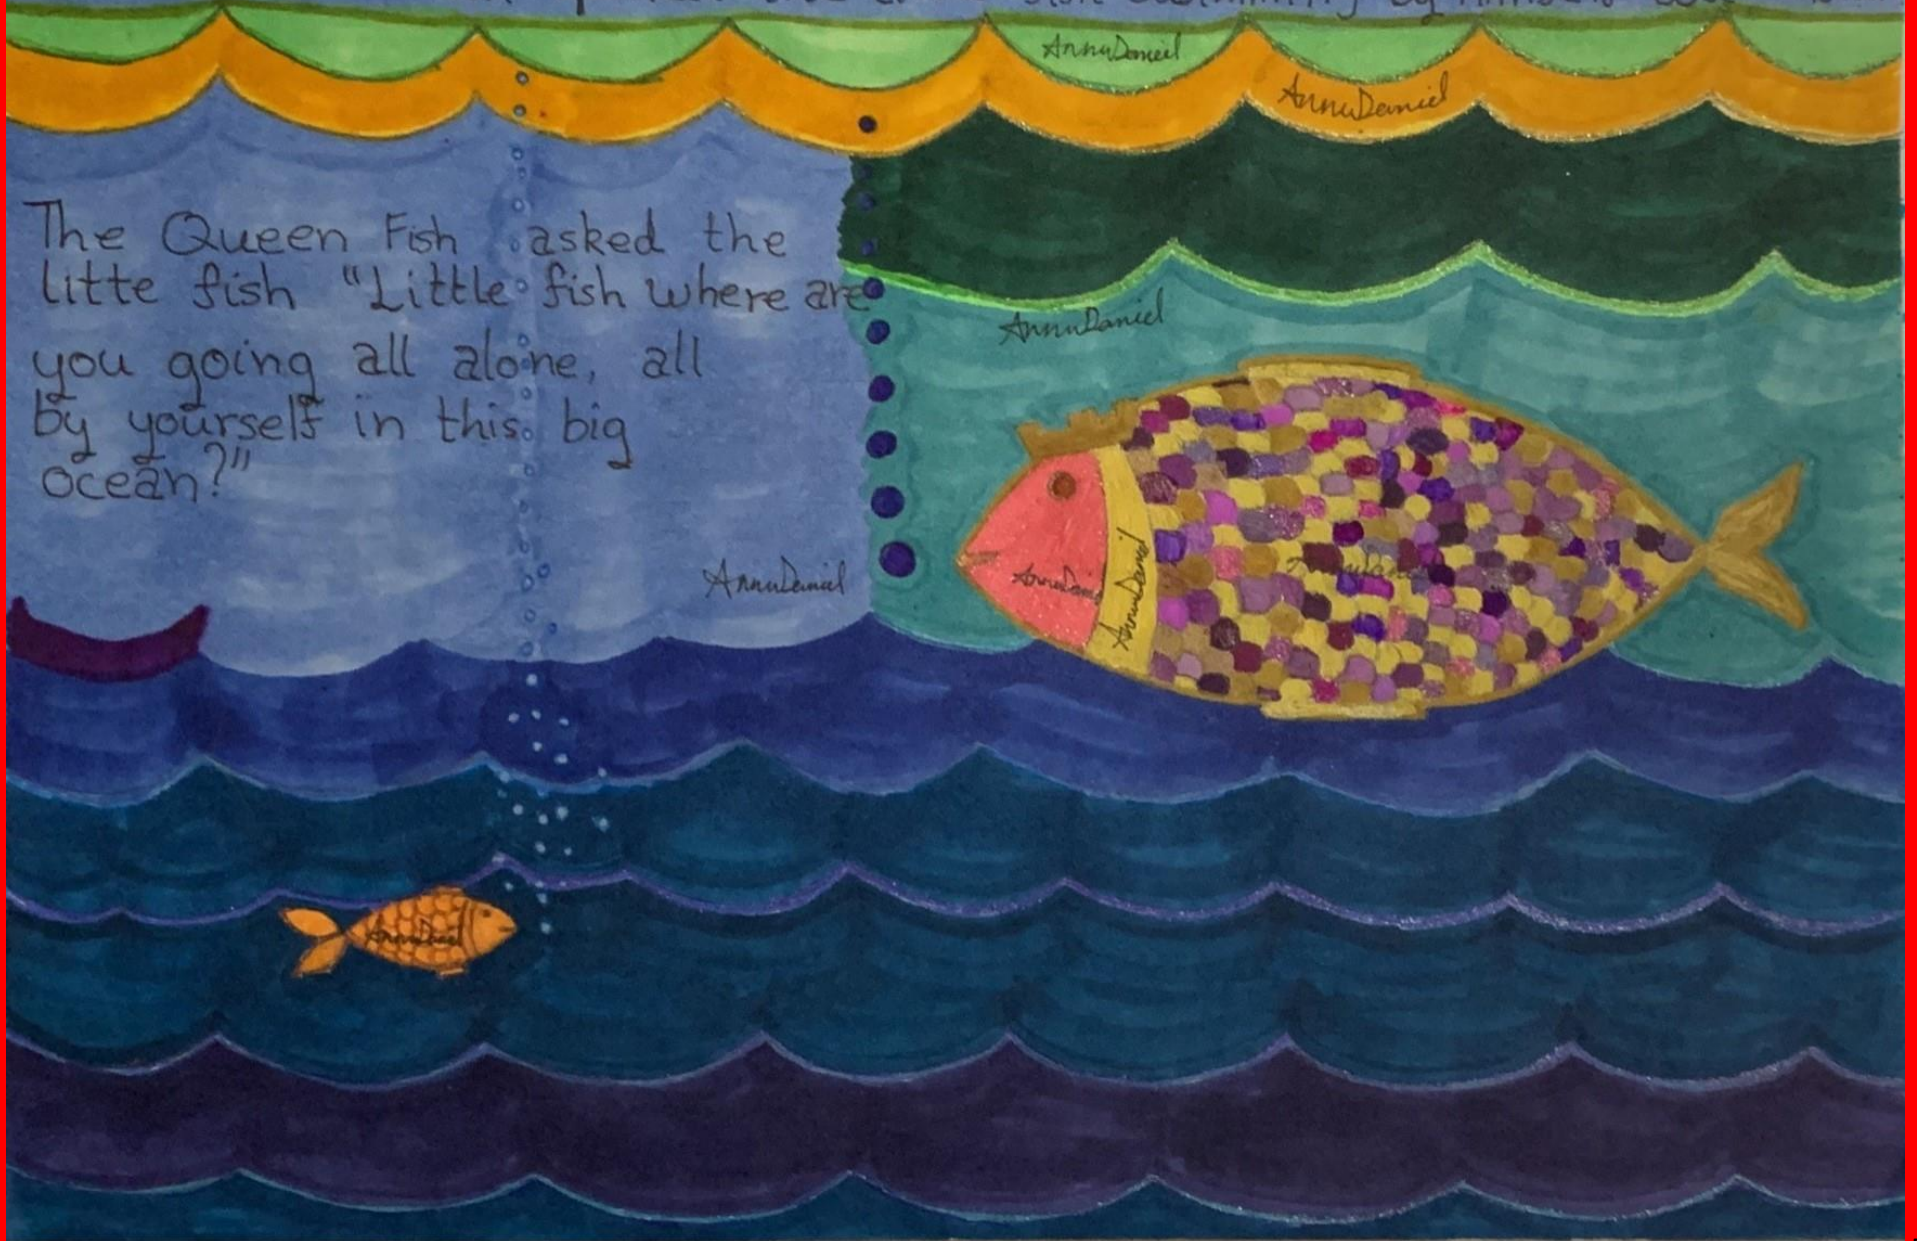

The Queen Fish was governing the ocean.

The Queen Fish spotted the Little Fish swimming by himself all alone.

The Queen Fish asked the little fish "Little fish where are you going all alone, all by yourself in this big ocean?"

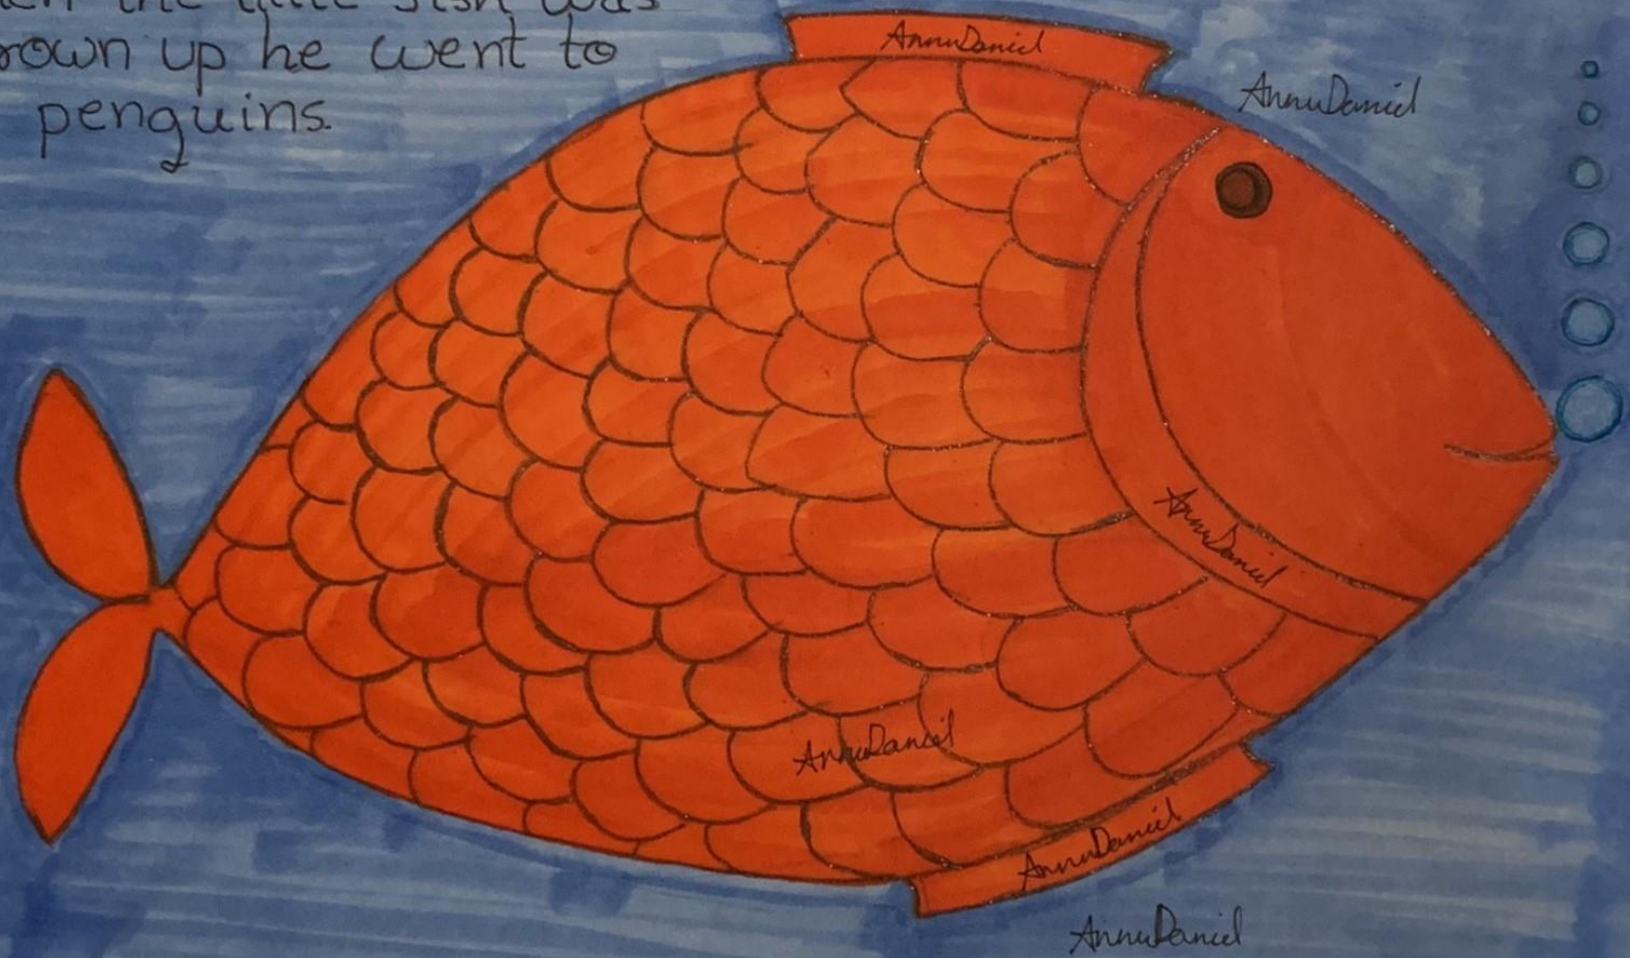

The Queen Fish said to  
the little fish "Little fish  
you must go home now  
to your Mama and  
Papa. This ocean is  
very big and you will  
get lost in it. When  
you grow up you can  
swim all the way to  
Antartica to see the  
Penguins."

Annu Daniel

So the litte fish went home  
and when the little fish was  
fully grown up he went to  
see the penguins.
