

# PHYTO- COENOLOGIA

International Journal of Vegetation Ecology

Journal of the International Association for Vegetation Science  
Organe officiel de la Fédération Internationale de Phytosociologie

Editor-in-Chief: U. Deil, Freiburg/Germany  
Co-Editors: G. J. Bredenkamp, Pretoria/South Africa  
U. Eskuche, Corrientes/Argentina  
J.-M. Géhu, Paris/France  
A. Kratochwil, Osnabrück/Germany  
A. Miyawaki, Yokohama/Japan  
D. Mueller-Dombois, Honolulu, Hawaii/USA  
R. Pott, Hannover/Germany  
S. Rivas Martínez, Madrid/Spain

Volume **32**

With 118 figures and 93 tables

Gebrüder Borntraeger · Berlin · Stuttgart 2002

ISBN 3-443-02005-4

## Interactions between animals, plant species and vegetation

Editor: Anselm Kratochwil

A selection of contributions, presented during the 44th Symposium of the International Association of Vegetation Science, Freising-Weihenstephan (Germany), 29 Juli–4 August 2001

Kratochwil, A.: Interactions between animals, plant species and vegetation – editorial . . . . .	515
Dormann, C. F.: Optimal anti-herbivore defence allocation in <i>Salix polaris</i> : doing it the arctic way . . . . .	517
