

## **PACKING INSTRUCTIONS**

- Each person is allowed one large suitcase. The suitcase allowance is **50lbs (23kg)**. **PACK LIGHT!**
- **Carry-On:** The FAA recommends that when you are packing your carry-on luggage to: think small, smart and safe. Passengers are limited to one carry-on item (small suitcase) and one personal item such as a purse. The suitcase must be no larger than **45 linear inches**. To calculate this, add the length, width and depth (in inches) together.

**Going through security takes time and patience. With close flight connections, it is strongly recommended that your carry-on is smaller in size.**

All knives, nail clippers/files, scissors or any sharp items, aerosols and liquids over three ounces are prohibited. **All liquids must fit into a single, one-quart plastic bag.**

- Prescribed medicines and valuable items must be placed in your carry-on.
