Who are we?

Honour Thy Woman Group is a Charity Incorporated Organisation based in Gloucestershire. It's ran by women who are all survivors of domestic abuse or sexual violence. We started as a Community Organisation in April 2022, then later recognised as a charity with Charity Commission and HMRC November 2022.

We have supported 276 women since launching our programmes from April 2022. We have successfully raised over £70,000 year 2023 - 2024 with most being restricted funds. This means we were able to spend most funds on our programmes which doesn't include adhoc crises support.

Our Aims

We are currently on the waiting list to be able to help families with food from FaresharesGo. In the meantime, we are only able to distribute FoodBank Vouchers. We'd like to be able to keep a surplus of food and toiletries within our space in the most rural area in Gloucestershire - Forest of Dean.

Our demand is growing significantly with most referrals coming from Family Support Workers and Social Workers. This mean there are a lot of single family homes who could be left in destitute.

- Organize a fundraising event: Events like charity auctions, concerts, sports tournaments, and bake sales are great ways to help.
- Businesses in our community can host a fundraiser or create a donation drive.
- Companies or individuals can sponsor one of our charity events in exchange for promotion and recognition.
- Supporters can create their own fundraising pages and rally their friends and family to donate.
