ENROLLMENT FOR SEPTEMBER 2024

Enrollment Procedures:

Returning Families - Application forms and the \$100 registration fee for returning families are due back before January 7th. (The registration fee is non-refundable, non-transferable and is per family not per child.) After January 7th we will not be able to guarantee a spot for your child.

Alumni and Active Old South Church Members - Enrollment for active Old South church members and siblings of CCP alumni will take place the 2nd week of January. Application forms and the \$100 registration fee are due back before January 14th.

Open Enrollment - Enrollment for new families will begin the 3rd week of January. Application forms and the \$100 registration fee will be accepted after January 14th and processed in the order that they are received as space allows.

Families will be asked to join a committee to take part in our cooperative school. More information and sign ups will be available along with student registration packets before the start of school.

We are able to accommodate students 2 - 5 years of age. Please let me know when returning your paperwork how many days you would like your child to attend and if you are interested in half days or full days (only available for 3 year old class and 4/5 year old class). I will do my best to accommodate, then confirm your new schedule. Please contact ccpdirector@oldsouthumc.org with any questions.
