

# September 2022 Report Badapada Center

In this September we had our regular classes in English, Math and odia and 85% of the students are following their own schoolbook as they are up to the class level, but still need support to maintain their level. Rest 15% of the students are using DAYA curriculum which help them to be their class level. Every Saturday students are having their weekly test through which the teacher can have a good update of the improvement of each child.

The biggest event in September is Teacher's Day on 5<sup>th</sup> of September. On that day students had so much fun activity like dance, speech, song programs and after the program we distribute some prize, snacks and chocolate to the children.

**Number of classes this month**

We are currently running four classes in a day in Badapada in two different locations.

## Case study

This is Sohan Singh from standard 5. He has 3 sisters. His father is a daily laborer and his mother is a housewife. They are struggling with financial crises as the monthly income of his father is 6000. It is very difficult for him to manage 4 kids with less income and not capable to give them proper education. In this situation DAYA child development center is helped him a lot, giving free tuition and helping him in his studies. Now the child along with his parents are very much happy and obliged to DAYA.

This is Lekhsia Mishal from standard 5. She has 4 sisters. Both of her father and mother are daily laborer and their monthly income together is 10,000. As the child is very poor in her study and not capable to go to a private tuition, DAYA Child development Center helped her a lot giving free tuition to her. She is very sincere and regular to class as the teachers are friendly to her and also supported her to clear her doubts. After continuing some months in this center, the child is improving in her studies and obliged.
