

ELECTRO-PLAST 2024 (4th edition) Conference Agenda

Monday 11 March 2024

17:30-19:30	Conference check-in
18:00-19:30	Networking Reception (drinks and canapés) <i>sponsored by</i> 

Tuesday 12 March 2024

08:00-09:00	Conference check-in (welcome coffee, networking)
09:00-09:10	Opening announcements

Introduction: Market review

09:10	Polymers and electricity in Europe: a market review Noru Tsalic, Managing Director, NORTAL CONSULTING
-------	---

Keynote presentation

09:40	Modern strategic purchasing of polymer raw materials Benedikt Knoch, Global Lead Buyer, Plastic Resin BROSE Fahrzeugteile SE & Co.KG
-------	---

Keynote presentation

10:10	The road to circularity in plastic accessories Dusko Davidovic, Global Product Manager Installation Materials and Solutions ABB Electrification
-------	--

10:40-11:20	Networking with coffee and snacks <i>sponsored by</i> 
-------------	--

Session 1: Latest trends & requirements in flame retardancy

11:20	Fire performance of plastic materials used in the E&E field: technical feedback and new challenges Dr. Olivier Gabut, Plastics Research and Development LEGRAND
11:50	The future of PP FR solutions: on the road to zero halogens? Angelo Bottaro, Business and Development Manager for Flame Retardant Market, GABRIEL CHEMIE
12:20	Recycled-based fire retardant compounds with reduced carbon footprint Brice Filipczak, E&E Sales Manager, ADDIPLAST Group
12:50-13:50	Networking over lunch <i>sponsored by</i> 

Session 2: Developments in electrical properties

13:50	The soft material challenge in E&E applications Dr. Thomas Köppl, Group Product manager HEXPOL TPE GmbH
14:20	Advanced concentrates based on Single-Walled Carbon Nanotubes and applications thereof Jonathan Antebi, Co-Founder, VP Business Development NEMO NANOMATERIALS Ltd.
14:50	Reducing costs in cable production by physical foaming Torsten Clasen, Manager Technical Sales PROMIX SOLUTIONS AG
15:20-16:00	Networking with coffee and snacks <i>sponsored by</i> 

16:00	Challenges with application of 3D printing for high voltage insulation Dr. Robert Sekula, Senior Principal Scientist, HITACHI ENERGY RESEARCH Dr Maciej Kuniewski, AGH University of Science and Technology
16:30	Overcoming the challenges of shielding with graphene-based compounds Dr. Bruno Figueiredo, Co-CEO GRAPHENEST

Keynote presentation

17:00	Sustainable E-Mobility: material-related challenges and opportunities Ali Uğur Tülüoğlu, Product Sustainability Engineer FORD OTOSAN
-------	---

20:00-22:30	Conference Dinner (speakers & dinner registrations only) <i>sponsored by</i> 
-------------	---

Conference lanyards

sponsored by

Wednesday 13 March 2024

08:30-09:00	Conference check-in (welcome coffee, networking)
09:00-09:10	Opening announcements

Keynote presentation

09:10	Requirements of polymers and plastics for next gen Fuel Cell Electric Vehicles Dr. Hironori Daikoku, Head of Material Engineering TOYOTA MOTORS EUROPE
-------	---

09:40	Conductive plastics in fuel cells for heavy duty application Dr. Marco Grundler, Group Leader Compound Technology ZBT Zentrum für BrennstoffzellenTechnik GmbH
-------	---

Session 3: Towards a sustainable industry

10:10	Challenges for plastic materials towards the energy transition Patricia Lamouche, Material Senior Expert & Team Leader HAGER Group
-------	---

10:40-11:20	Networking with coffee and snacks <i>sponsored by</i> 
-------------	--

11:20	Sustainable Plastic Materials for Electrical Products Dr.-Ing. Christoph Keckl, Process Technologist Plastics SIEMENS
-------	--

11:50	Engineering Plastics solutions: the road to Net-Zero for the E&E and Automotive Industry Patrick Frey, Segment Manager E/E Industrial & New Energy Rie Kaneko, Sustainability Engineering Plastics BASF
-------	---

12:20	Engineered Material Solutions for E&E industry: current requirements and trends Dr. Gulnaz Idiyatullina, Marketing Manager Global E&E CELANESE
-------	---

12:50-13:50	Networking over lunch <i>sponsored by</i> 
-------------	--

13:50	Drive the changes by realising recycled plastics in smartphones Gregor Volk, Product Engineer FAIRPHONE
-------	--

Keynote presentation

14:20	Design for Sustainability meets E-Mobility Jan Van Cauwenberge, Sr. Manager Global Platform & Sustainability Engineering TE CONNECTIVITY
-------	---

14:50-14:55	Prize draw <i>sponsored by</i> 
-------------	---

Keynote presentation

14:55	Usage, challenges and requirements for plastics in electric charging infrastructure Dr. Stephan Hell, Director Product and Project Management Charging Solutions KOSTAL ELEKTRIK
-------	--

15:25-15:30	Chair's Prize for Best Questions
15:30-15:35	Closing remarks
15:35-16:00	Networking, farewell coffee
16:00	Conference ends

Nortal Consulting may alter the programme without prior notice. The latest version of the programme can be viewed on the conference website www.electro-plast.com.
