Our Values

Respect.

We treat all clients equally and with respect regardless of background.

Accessible.

Everyone deserves access to justice and we will work to ensure that everyone gets to exercise that right, free of charge.

Ethical Conduct.

All LFLR volunteers work to the rigorous ethical standards set by the Bar Standards Board, even though our volunteers are not qualified barristers.

Professionalism.

We aim to provide the same high standard of client care that would be expected from paid legal service providers.

Independence.

LFLR operates independently of other organisations and is not affiliated with any political viewpoint. We put our clients first and always provide impartial advice.
