This form must be returned with the documents below in PDF format otherwise no nomination can be made.  
The documents must be emailed to: [nominations@ukadjudicators.co.uk](mailto:nominations@ukadjudicators.co.uk)  
Email addresses must be supplied for the Referring Party and Responding Party to use this nomination service

Document checklist:

- Fully completed and signed application form for nomination of adjudicator
- Notice of adjudication
- Relevant extracts from contract

---

The Referring Party agrees to meet all the reasonable costs incurred by the person nominated even if there is no entitlement to make this application in accordance with the agreement between the parties named herein.  
Whilst the desirable experience indicated in this form will be considered, any nomination will be made using best endeavours based on all of the information supplied and in some cases the nomination will not meet the desirable experience in every respect. Prospective third parties that might be suitable for nomination will be consulted as to their availability and for any possible conflict of interest that may arise, as such copies of all documents requested above will be supplied to them.  
The process will be undertaken independently and transparently.  
Only the documents listed above will be used for the selection of the adjudicator, the process will not be influenced by contact by either party during the selection process as such once the documents are submitted the following will take place:

- 1) The documents will be checked for completeness
- 2) An acknowledgement of receipt will be made to all email addresses supplied
- 3) Prospective third parties that may be suitable for appointment will be contacted and given copies of the submitted documents
- 4) A nomination will be made and this will be sent by email to the adjudicator and all of the email addresses supplied along with the documents
