

LEADERS & EDUCATORS:

ARE YOU LOOKING TO IMPROVE STUDENT GROWTH?

PARTNER WITH WORLD RENOWN EXPERT IN EDUCATIONAL, LEADERSHIP, DR. BARBARA BLACKBURN TO INCREASE MOTIVATION, ENGAGEMENT, LEADERSHIP & INSTRUCTION.

Focused, Practical, Customized, Real-Life Solutions for You & Your School

"The most engaging, relevant, and focused professional development that our district has ever received"

Chad Lensman - Superintendent, Graham Local Schools

Which of the Challenges Do You Face?

- ? Students who are not motivate to learn.
- ? Instruction and assessment that is not rigorous.
- ? Lack of high expectations by teachers and/or leaders.
- ? Support and scaffolding for struggling learners.
- ? Balancing rigor with differentiation.
- ? Need for strategies to help leaders effect school change.
- ? Desire for engaging, evidence-based instructional strategies.

If you answer YES to any of those challenges, Barbara Blackburn, Ph.D can help. Through her engaging, practical, and interactive on-site and technology-based professional development, she partners with your teachers and leaders to implement strategies to accomplish your goals. Named a 2023 Top 10 Global Guru in Education, her recommendations are based on over 30 years of experience in education, a best-selling author of over 30 books for teachers and leaders, and her work as an international speaker.

We provide affordable and result-driven programs complete with ongoing support for individuals, groups, schools & districts.
