CATHEDRA GIN

CHECKS & GREYS SIGNATURE GIN

Cathedra Gin is inspired by the fascinating history and heritage of England's cathedrals and we were proudly the first Cathedral to launch its own craft gin.

Distilled and bottled in small batches, our craft gin takes its name from another example of exquisite craftsmanship, the Cathedra, or Bishop's Throne, which gives a church building its cathedral status.

Handcrafted at Brindle Distillery in Lancashire, Cathedra Gin is created with fresh spring water and infused with juniper, orange, elderflower, almond and vanilla to give a deliciously smooth taste.
