Messages from 2015 SCCMI Board

April 2015

DI QU – CHAIR, AMWAY CORPORATION

Dear fellow SCCMI chapter members,
The spring is coming and so are the exciting on-going programs in our chapter. Starting from this issue of our newsletter, I'd like to introduce to you our board members and volunteers who have made significant contributions to our daily activities. The following messages are from our elected board members of 2015:

JASON VOGEL - CHAIR-ELECT, DOW CORNING

Hello friends and colleagues. Hopefully we have finally arrived at spring in Michigan. I am happy to announce that our first kick off meeting in March was a success, which included a great speaker, Craig Bonda, accompanied of course with fantastic attendance. We hope to continue this trend of delivering meetings, which have a combination of fun and educational elements. I am excited to see everyone at the upcoming meeting in May.

AIMEE GOWELL – SECRETARY, AMWAY CORPORATION

2015 is off to a great start! We have several great events lined up to bring you technical learning and fun networking opportunities. We appreciate the contribution and efforts of all of the volunteers and SCCMI members that allow us to make these events successful. Hope to see you at our May 18 meeting!

CARYN WEISS – TREASURER, AMWAY CORPORATION

Hello fellow SCC members. It has been a whirlwind start to the 2015 year. We had a hiccup at the beginning of the year with the transition of my role from Treasurer-Elect to Treasurer. The SCCMI board has agreed to increase the term of Treasurer to 2 years to limit these transition hiccups. This will allow for more time to prepare our members and sponsors for the transition as well time for preparing/training the Treasurer-Elect for his/her term as Treasurer. I look forward to working with everyone in the coming years.

KAREN PATIN - TREASURER -ELECT

Happy Spring SCCMI Members! As a relatively new member I am excited to be involved in the chapter activities and opportunities. So far I have been shadowing Caryn Weiss in her Treasurer duties to gain a better understanding and create a smooth transition for the future. I am looking forward to our upcoming chapter events and hope to see you there!
