SOCIETY OF COSMETIC CHEMISTS — MICHIGAN CHAPTER

Volume 4 Issue 2

April 2016

Global Challenges Symposium

May 18th, 2016

JW Marriott | 235 Louis St. NW | Grand Rapids, MI

The **Michigan Chapter of the Society of Cosmetic Chemists** is proud to announce the 2016 Global Challenges Symposium, which will feature key industrial leaders discussing the challenges of creating products for a global market. A social event will be held the evening before (May 17) at Founders Brewing Company. Concurrent with the symposium will be a young scientist poster session and vendor exhibition.

Please Note: Regular registration rates are available until May 6

Global Challenges Symposium Agenda

7:00 — 8:00 am	Breakfast & Registration
8:00 — 8:15 am	Welcome & Introductions <i>Jason Vogel — SCCMI Chair</i> <i>Caryn Weiss — Symposium Co-Chair</i>
8:15 — 9:00 am	Global Cosmetic Regulations—an Overview <i>Lauren Barger (Amway R&D)</i>
9:00 — 9:45 am	The Challenges of Global Preservation of Cosmetics <i>David Steinberg, FRAPS (Steinberg & Associates, Inc.)</i>
9:45 — 10:15 am	Coffee Break & Poster Session
10:15 — 11:00 am	Crazy Just Might Work: Package Design as a Contact Sport <i>Dennis Young (MSU, School of Packaging)</i>
11:00 — 11:45 am	The Future of Beauty & Personal Care <i>Shannon Romanowski (Mintel)</i>
11:45 am — 12:30 pm	Lunch & Poster Session
12:30 — 12:45 pm	Poster Competition Award Presentation <i>Jat Rana — SCCMI Program Committee Co-Chair</i>
12:45 — 1:30 pm	Creating Great Products <i>Karen Young (The Young Group)</i>
1:30 — 2:15 pm	The INCI Nomenclature System: A Foundation for Global Cosmetic Regulation <i>Mike Starch (Wintermute Consulting Services LLC)</i>
2:15 — 2:30 pm	Coffee Break
2:30 — 3:15 pm	Global Trends of Sun Protection in Color Cosmetics <i>Stacey House (KOBO)</i>
3:15 — 4:00 pm	Formulating Skin Care for Global Appeal—Can it be done? <i>Mark Chandler (ACT Solutions Corp)</i>
4:00 — 4:15 pm	Closing Remarks <i>Debbie Pinardo—SCCMI Chair-elect</i> <i>Kausar Malik — Symposium Co-Chair</i>

Global Challenges Symposium Speakers

Lauren Barger, Amway R&D

Lauren received her BSE in Chemical Engineering from the University of Michigan in 2009 and began working for Amway in the Product Development team as a process engineer for the supplements product category. She then moved to the Regulatory Affairs team and worked as a regulatory analyst, particularly on skincare products. Her main responsibilities included ensuring the compliance of new products and managing the continuing compliance for the existing Amway skincare portfolio. Additionally, she monitored new pending global regulations, was a member of PCPC's regulatory committees, and prompted necessary product changes when new regulations were enacted. Lauren recently joined the Quality Affairs division of Amway as the group manager of the Chemical Quality Control team.

David Steinberg **Steinberg & Associates, Inc.**

David C. Steinberg is the president of Steinberg & Associates, Inc. With more than 30 years' industry experience, David is a world renowned industry expert whose preservative knowledge is second to none. He founded the Masters Program in Cosmetic Sciences at Fairleigh Dickinson University and taught many courses over 18 years. For more than 15 years he wrote a bi-monthly column for Cosmetic & Toiletries Magazine. In 2006 he founded the Cosmetic Preservative Council and served as Executive Director. He is a Regulatory Affairs Professional Fellow and has served as Chapter Chair, National Treasurer and National President of the Society of Cosmetic Chemists. He is on the Board of Directors for the Independent Cosmetic Manufacturers and Distributors (ICMAD) industry association. He has received many awards, including: Eminent Visiting Scholar Virginia State University, Paper of the Year Australian Society of Cosmetic Chemists, and Society of Cosmetic Chemists Merit Award. He is a Fellow Member of the SCC and the Regulatory Affairs Professional Society. He is the author of 5 books including 3 editions of Preservatives for Cosmetics.

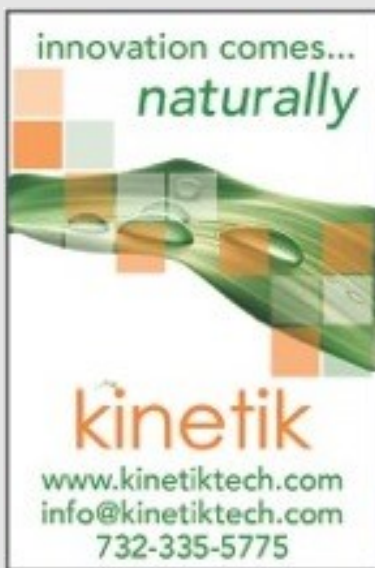

Global Challenges Symposium Speakers

Dennis Young, *Michigan State University—School of Packaging*

Dennis Young is a 1968 BS graduate of the School of Packaging at Michigan State University and a 2008 graduate of Rochester Institute of Technology with an MS in Service Management. His professional career of over 45 years includes IBM, Lansmont Corporation and Dennis Young and Associates, a packaging consultancy. Dennis taught full time at RIT in Packaging Science and in his current position at the School of Packaging at MSU. He has done presentations and taught seminars and workshops worldwide for many years and authored a number of technical papers in the packaging field with emphasis on distribution packaging, measurement of distribution hazards and package development and test. Dennis and Dr. Dan Goodwin of RIT recently published a book, *Protective Packaging for Distribution*.

Dennis is a Certified Packaging Professional - Lifetime (CPP), and Fellow member of the Institute of Packaging Professionals, a member of TAPPI, as well as a member of ASTM D-10 on Packaging. He has served as the Technical Director (staff position) and as a Board Member and VP of the International Safe Transit Association and was a recipient of their R. David LeButt Award for excellence in packaging education. Dennis is a Life Member of the MSU Packaging Alumni Association, has served on their Board of Directors and was selected Packaging Alumnus of the Year in 1992. He was inducted into the Packaging Hall of Fame in 2009, one of about 175 professionals since the inception of the award in 1971.

Shannon Romanowski, *Mintel*

Shannon oversees the Beauty & Personal Care, Household, and Health & Wellness sector. Prior to her role as category manager, Shannon spent three years as an Analyst specializing in Beauty & Personal care. Shannon brings a unique background to Mintel that combines her technical knowledge along with a strong understanding of consumer and sensory research and a passion for the beauty industry. Prior to joining Mintel, Shannon worked as a research scientist for a leading hair and skin care company and specialized in fragrance development as well as sensory research. More recently, she worked as a freelance writer and wrote a beauty blog for a health and wellness magazine. Shannon holds a Bachelor's degree with a double major in Chemistry and Environmental Science from Indiana University in Bloomington, IN.

Global Challenges Symposium Speakers

Karen Young, *The Young Group*

Before opening **The Young Group** in 1999, Karen was Vice President of Marketing, Advertising, Product Development and Sales Promotion for **Lancôme**. Prior to that, she spent seventeen years at **Estée Lauder**, where she held a variety of executive positions, including Executive Director of Marketing for Color Cosmetics. Karen is an active board member of Fashion Group International. She is a certified personal trainer and nutritionist. Karen divides her time between New York and Paris, where **The Young Group** also has an office. Since opening The Young Group, Karen has worked extensively in all categories of the cosmetic industry. She has developed concepts and products for **Smashbox, RoC, Bath and Body Works, Neutrogena, Colgate Palmolive, Vichy** and **Canyon Ranch**. Karen has worked on numerous established brands in the beauty category, including **Christian Dior Beauté, Shiseido, Parfums Givenchy, Avon** and **3M Products**.

Michael Starch

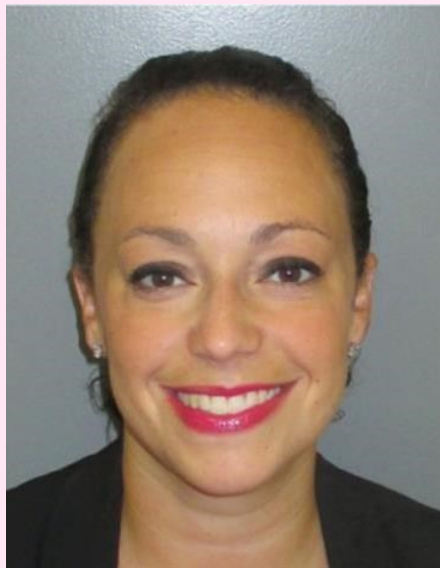

Wintermute Consulting Services

Michael Starch has worked in the personal care industry for over 35 years and has experience working on both the raw material and finished product sides of the business. He worked 26 years at the Dow Corning Corporation, a leading supplier of silicones for the personal care industry. At Dow Corning, he worked in product development, technical service, and application development. Michael also worked for seven years at Kao Brands (formerly the Andrew Jergens Company) in skin care product research and development. Michael joined the International Nomenclature Committee (INC) when he worked at Dow Corning. Since retiring, he has remained on the committee as a paid consultant. He has been a member of the INC for 18 years. In 2011, Michael retired from Dow Corning and started a consulting business (Wintermute Consulting Services). He advises clients on silicone chemistry, application development, INCI nomenclature, and strategies for introducing new raw materials into the personal care industry.

Global Challenges Symposium Speakers

Stacey House, Kobo Products, Inc.

Currently, Stacey House is the Application Lab Manager at Kobo Products, Inc. Formerly she was a Senior Chemist with Coty, Inc. for over 6 years. She worked in the Eye Lab developing Eye Shadows, Liners, Mascara, and Blushes. Prior to Coty she was with Revlon starting in 1999, where she worked in Skin Care, Microbiology, and Color Cosmetics. She received her Bachelor of Science degree from Rutgers University-New Brunswick and her MBA from Northeastern University with a concentration in International Business Management, Supply Chain Management, and Operations. Overseeing four chemists in the Application Lab at Kobo, Stacey and her team showcase Kobo's dispersions and treatments along with a wide array of other specialty products including Microspheres, Fibers, and Film Formers.
