SOCIETY OF COSMETIC CHEMISTS — MICHIGAN CHAPTER

Volume 5 Issue 2

April 2017

Introducing our New Logo

To celebrate our fifth year, the Michigan SCC chapter held a contest to challenge our members to create a new logo. We received lots of entries and due to the large number of choices (17), we decided to display them at our March meeting (see photo below). Attendees at the meeting voted for their three favorites and the results of this vote was used to narrow down the selection to the three top logo designs. Michigan SCC members then voted via e-mail for their favorite. The winning logo is show here and this will be used in all future communications from our chapter.

The winning logo was designed by member Bethany Prime with help from her friend Shannon Vlassis.
