

Michigan SCC - News from the Mitten

SOCIETY OF COSMETIC CHEMISTS — MICHIGAN CHAPTER

Volume 6 Issue 2

August 2018

A Message From Chairperson Paige Krzyskowski

Thank you to everyone who was able to make it to our May chapter meeting in Frankenmuth, Michigan. Everyone seemed to enjoy learning about penetration of materials in to the hair and nails from speakers Trefor Evans and Sudhir Baswan.

I hope everyone is enjoying the beautiful weather we have been having. The Michigan Chapter of the SCC will be taking our usual summer break from meetings, but will reconvene in September with a bang. The Naturals Symposium will be held on September 6. This is a full day educational event where key industry leaders will come discuss the challenges of creating products that appeal to consumers looking for “natural”, “organic”, and “chemical-free” products. It will be held at the Prince Conference Center at Calvin College in Grand Rapids, Michigan. The evening before, on September 5, we will also have a social event at The Knickerbocker by New Holland Brewing. We are still looking for sponsors, so please consider supporting this educational event. There is also a unique opportunity to sponsor a student to attend and present a poster. More details are available on the website (www.sccmi.org). Registration is open now. We look forward to seeing you there!

It is crazy to think, but with the year more than half over, it is time to start thinking about 2019 Michigan chapter officers. If you or anyone you know would be interested in volunteering for the Michigan board, please reach out to Beth Johnson (elections@sccmi.org), the election committee chair. Nominations for elections will be due in September. We will be electing a new chair-elect, secretary, and treasurer-elect. For more information about these positions, see page 5

Again, I hope everyone has a very enjoyable “Pure Michigan” summer. I hope to see you all in September.

Best,

Paige Krzyskowski

SCC Michigan Chapter 2018 Chair

The Michigan Chapter of the Society of Cosmetic Chemists is proud to announce the 2018 Naturals Symposium, featuring key industry leaders discussing the challenges of creating products that appeal to consumers that are looking for natural, organic and “chemical-free” products. The impact to the skin microbiome, ISO regulations, claims, and technical regulations will also be discussed. The symposium will be held at the Prince Conference Center at Calvin College, 1800 E. Beltline Ave. SE, Grand Rapids, Michigan. Concurrent with the symposium will be a vendor exhibition and a student poster session (see next page for agenda).

On **September 5th**, please join us for our Social Night at The Knickerbocker, New Holland Brewing’s brew pub at 417 Bridge St. NW in Grand Rapids from 5:00 - 8:00pm.

Appetizers and Beverages will be served.

To register and for more information, visit our website www.sccmi.org. Early registration runs until August 24th.
