

# Michigan SCC - News from the Mitten

SOCIETY OF COSMETIC CHEMISTS — MICHIGAN CHAPTER

Volume 6 Issue 3

November 2018

## A Message From Chairperson Paige Krzyskowski

First and foremost, I want to thank everyone who attended the Michigan Chapter's Naturals Symposium. We had a great turnout and hopefully everyone found it educational and thought provoking.

If you have not had a chance, I recommended going to the Michigan Chapter website (<http://www.sccmi.org>) and viewing the pictures from the event. I also recommend checking out the article written by PCPC regarding their speaker at the event, which also featured our member and Symposium Committee Volunteer, Kausar Malik (<http://www.multibriefs.com/briefs/council/>). Cosmetics Europe also did a nice piece on the Natural's Symposium and interviewed another speaker from the event, Guy Timmons (<https://www.cosmeticsdesign.com/Article/2018/08/22/SCC-Michigan-Naturals-Technical-Symposium-highlights-regulation>).

Paige with Shannon Hess from Burt's Bees

We had a number of students from the University of Toledo present posters at our poster competition. I personally want to say congratulations to all the students who participated for their excellent work to advance cosmetic science through high standards of research.

Lastly, I want to remind everyone that it is time to renew your SCC memberships. Simply log in to the member portal from the national website ([www.sconline.org](http://www.sconline.org)) and renew. If our chapter has 85% response rate before the end of the year, we will get additional funds to support meeting costs. If we get 95% response rate, we will get a continued education program (CEP) course sponsored by the National Office and offered to our members at a reduced price for 2019. These are very valuable rewards for our small chapter and help the Michigan chapter continue to offer high quality educational events, promote professionalism and education in our industry, strengthen our own education through the sharing of science, and grow our professional network. If you do not plan to renew your membership, please let a member of the Michigan SCC board know as soon as possible or e-mail Colleen Daddino at [cdaddino@sconline.org](mailto:cdaddino@sconline.org).

Best, Paige Krzyskowski
