## **Prescreened Contractors**

- 1. Hire only licensed contractors.
- **2.** Get at least three bids and check references and recent projects.
- **3.** Check the contractor license number at www.cslb.gov or 800.321.2752.
- **4.** Ask to see the contractor's pocket license and a current photo ID.
- **5.** Ask whether the contractor carries workers' compensation insurance for employees and general liability insurance.

- **6.** Try searching your contractor's name online for additional reviews, but consider the source.
- Make sure the contractor gives you an estimate in writing and the contract lists his/her name, contractor license number, address, and phone number.
- **8.** Pay no more than 10 percent down or \$1,000, whichever is less. \*
- \* There is an exception to this rule for about two dozen contractors who have filed a blanket performance and payment bond with the Registrar. This information is noted on the contractor's license detail page on CSLB's website.
