

FÉATH – Agility and background

We are a small, family owned business located a couple of miles from Turriff, off a small, quiet country lane. We have been here for nearly thirty years - and wouldn't want to move anywhere else!

I wanted to create an experience for you to relax with your dog doing what you want and what your dog wants to do in a safe environment that is just for you. So, with help from my husband, Steve and my family, I created Féath.

We have built a well-equipped agility course that offers the opportunity for fully experienced owners and dogs to take advantage and equally can be used just for fun - and is! All of our facilities are fully enclosed by secure and safe fencing, as are our ducks, chickens and geese, our miniature donkeys, pigmy goats and Nell, Willow and Rowen - our old lady of a Border Collie and our two wonderful Irish Wolfhounds!
