President's Message . . .

Our wonderful library is hopping with activity and gearing up for a beautiful spring. An improved walkway access to the Children's Sound Garden and butterfly gardens, on the south side of the building, is almost complete.

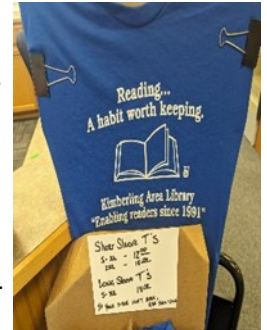

The Table Rock Quilt Guild is preparing for the annual "Quilt Day at the Library" to be held March 9. All the details are featured elsewhere in the *Bookmark*. This event is a wonderful opportunity to see beautiful quilts, shop the "Unique Boutique", have a nice lunch and support the library. All proceeds from this event are donated to the library. The members of the guild put a lot of time and talent into the preparations for this special day of fun and fellowship. Put it on your calendar and plan to attend—even if you aren't a quilter, it will be fun.

VITA is currently providing tax return help, to those eligible for the free service, at the library on Thursdays through tax season. You must have an appointment set up to use their service. Informational handouts about how to set up an appointment are available at the library front desk.

Beautiful gardens, interesting programs for adults and children, the latest books, audio books, and other media are available at the Kimberling Area Library. If you aren't a library card holder and live

within 25 miles of Kimberling City, come by and sign up. When you do, you will also have access to a vast array of e-books available through our Libby affiliation website.

The library association also has a new t-shirt available for purchase. This is a fundraiser to support library activities and also, when you wear one, you help us get out the word that "Reading is a good habit to keep". The best way to do that is be a patron of the Kimberling Area Library, supporting readers since 1991.

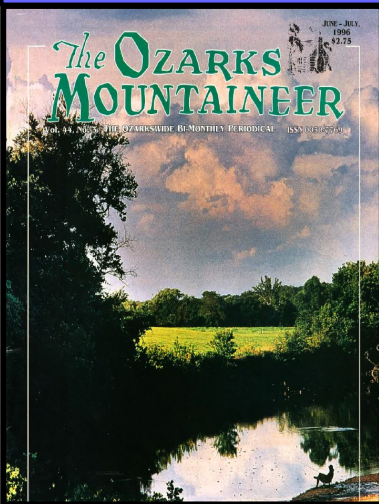

Please take a moment to visit the website at www.kalib.org, and visit the Calendar page to see all of the public events available to you at the library.

Supporting our library is very important, as no local, state or federal monies are part of our funding. KALA is a 501C3, not for profit entity. Public support is what keeps this library alive.

Come and see what is available.

Yvette Ayres, Board President

OZARKS MOUNTAINEER

Thanks to a donation, the library has added much of the *Ozarks Mountaineer* magazine to its Ozarks collection. According to the Ralph Foster Archive, the *Ozarks Mountaineer* was first published in March 1952 in newspaper format. It switched to a magazine format in 1965. The magazine has an active Facebook Fan Page that quotes the magazine's mission as "... to preserve and record the history, culture, and folklore of the entire Ozarks plateau area, with reverence for the past and hope for the future." According to Missouri State Digital Collections, the last issue was published in November/December 2012.

The donation KAL received included many of the years between 1974 and 2006. You can find the magazine on the bottom shelves of the library's Ozark section, bound in 3-ring binders by year of publication. Each binder may be checked out for you to enjoy at home.
