## ITINERARY

**Fri, June 17<sup>th</sup>: Houston/Munich** Depart on your overnight flight to Munich. Dinner served in flight.

**Sat, June 18<sup>th</sup>: Munich** Morning departure to **Munich**. Upon arrival, we have a Walking Tour of Munich. We explore Munich's Old Town to see the city's historical highlights! As you walk between sites, hear fun facts and history about the city and enjoy photo stops at its prettiest sights such as Marienplatz, Frauenkirche and Viktualienmarkt. Learn about the city during the Second World War and discover must-visit attractions like the legendary Hofbräuhaus beer hall.

Visit Marienplatz, the central city square since the 1100s, and admire the town hall with its glockenspiel that re-enacts stories from the 16<sup>th</sup> century. Stop by Frauenkirche, Munich's, iconic, red-roofed cathedral .that was bombed during WWII, and wander around one of city's oldest places of worship: St Peter's Church.

**Sun, June 19<sup>th</sup>: Munich/Oberammergau/Passion Play** Morning departure to **Oberammergau**. En route we stop at Ettal Abbey. Ettal Abbey (*Kloster Ettal*) is a Benedictine monastery in the village of Ettal close

to Oberammergau and Garmisch-Partenkirchen in Bavaria, Germany. With a community of more than 50 monks, the Abbey is one of the largest Benedictine houses and is a major attraction for visitors.

In 1898, the buildings were acquired by Baron Theodor von Cramer-Klett and, in 1900, given to the Benedictines of Scheyern Abbey, who re-founded the monastery here. The abbey church of the Ascension was declared a basilica minor in 1920.

During the winter of 1940–1941, the German pastor and theologian Dietrich Bonhoeffer spent some months at the monastery as the friend and guest of the Abbot. While at Ettal, Bonhoeffer worked on his book *Ethics*.

The monastery runs a brewery, a distillery, a bookstore, an art publishing house, a hotel, a cheese factory joint venture, and several smaller companies. The distillery produces Ettaler Kloster Liqueur, a herbal liqueur which, like that of the Carthusian monks, comes in sweeter yellow and more herbal green varieties.

After our visit, we continue to Oberammergau. Today we attend the world famous, Passion Play.

The history of the Oberammergau Passion Play begins in 1633. In the midst of the Thirty Years' War, after months of suffering and dying from the plague, the people of Oberammergau pledged to act out the play of the suffering, death and resurrection of our Lord, Jesus Christ. They perform the Passion Play once every 10 years.

Today we take our seats in the world-famous Passion Play Theater. The performance is in two parts. The performance begins in the afternoon. There is a break around 5:00 PM when you return to your hotel for dinner and then you return to the theater in the early evening for the second part of the play.

After the play we return to our hotel.
