

# Why Democrats are so out of touch!

## HOORAY! A 53-46 vote... Wow, no pun intended, but we dodged a bullet...

*(Note- this is from Mar 23, 2013- it is 7 years old. However, it surely points out who needs to be replaced at election time! They will not give up- neither can we!)*

United Nations Resolution 2117 (U.N. Arms Trade Treaty) lists 21 points dealing with firearms control, but perhaps of most interest is point number 11:

***“CALLS FOR MEMBER STATES TO SUPPORT WEAPONS COLLECTION and DISARMAMENT of all UN countries.”***

By a 53-46 vote - The U.S. Senate voted against the U.N. resolution.

**HOORAY!**

*This is that brief, glorious moment in history when everyone stands around... reloading.*

Now, which 46 Senators voted to destroy us? Well, let their names become known!

See below. If you vote in one of the states listed with these 46 “legis...traitors”... vote against them.

In a 53-46 vote, the Senate narrowly passed a measure that will stop the United States from entering into the United Nations Arms Trade Treaty.

The Statement of Purpose from the Senate Bill reads:"To uphold Second Amendment rights and prevent the United States from entering into the United Nations Arms Trade Treaty." The U.N. Small Arms Treaty, which has been championed by the Obama Administration, would have effectively placed a global ban on the import and export of small firearms. The ban would have affected all private gun owners in the U.S. and had language that would have implemented an international gun registry, now get this, on *all* private guns and ammo.

Astonishingly, 46 out of our 100 United States Senators were willing to give away our Constitutional rights to a foreign power.

Here are the 46 senators who voted to give your rights to the U.N.:
