Reverse Keyhole: Four poles in a square with one barrel in the center. Run down the long side of the arena on the outside of two poles, circle the barrel in the center of the arena, then run down the other long side.

Jousting: Topple targets with your foam "lance." Target must fall off the barrel, not just tip over! Fastest successful run wins.

Barrel Race: Timed cloverleaf pattern.

Scramble (No leadline): Three weave poles, a small crossrail (ground pole for walk/trot), and one barrel.

Apple Race: Ride to a pile of apples in the center of the arena. Dismount, pick up an apple, and give it to your horse. The horse must eat the whole apple! Lead your horse back to cross the finish line. (No leadline)

Rope Race (walk/trot): Just like horseback musical chairs. Ride to the far end of the arena, stop and grab a hanging rope. There is always one less rope than there are riders. The rider without a rope at the end of each round is eliminated.

Ring Tilt: Use a foam "sword" to collect suspended rings around the arena. Fastest successful run wins.

Ribbon Figure-8 Race: Riders are paired up and hold a crepe paper ribbon between them. Fastest pair around a figure-8 without breaking their ribbon wins. (Teams combine entry fees and split paybacks)

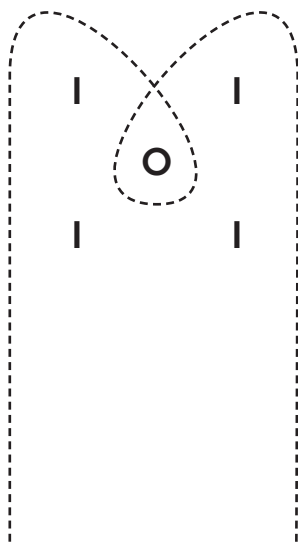

Knock Down and Out*: A crossrail is set one stride in front of a 2' vertical fence. Riders attempt the jump one at a time, raising the jump 3" each round. A knocked down jump pole or a refusal from the horse constitute elimination.

**A draw may be called and/or riders may be eliminated for horse and rider safety at the discretion of show management.*

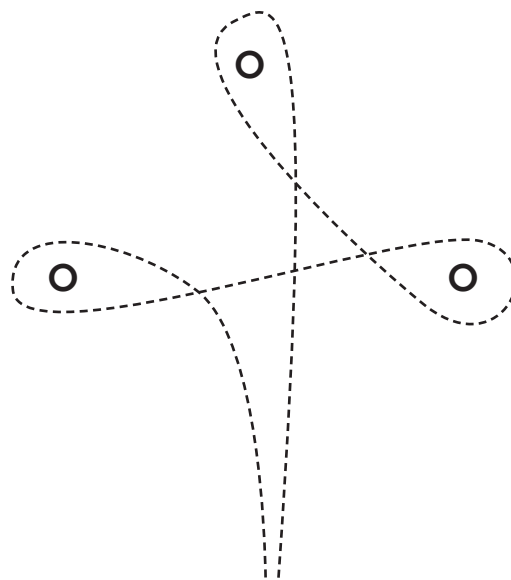

Sit a Buck (w/t, no paybacks): Riders hold a \$10 bill under their leg while performing walk/trot maneuvers bareback. Riders who still have their \$10 at the end of 5 minutes keep it!
