LEVEL UP FUNDRAISING CHALLENGE 2023

Dear Neighbor,

Last year, SFCS met the mental health and substance abuse needs of 387 individuals, couples, and families. We were able to assist 10 clients with financial needs by providing 37 hours of low/no cost counseling.

This year we have teamed up with TriCounty Network's - LEVEL UP. **Donations received before December 31, 2023 will now go further!**

TriCounty Network's role related to the level up program is to promote fundraising, awareness, growth, and development for local nonprofit organizations.

Your donation will expand Spring-Ford Counseling Services' ability to receive awards through Level Up, thus making your donation go further!

PLEASE HELP US REACH OUR GOAL!

\$5,000

OUR NEEDS

- Continue the ability to assist individuals, couples, and families with no or lower-cost counseling services when necessary.
- Ability to provide calm, comfortable, and safe counseling space for both clients and therapists.
- Assistance in buying healthy snacks specifically for students who come in before or during the school day. We are finding students are hungry depending on the school day schedule. This also will assist in students feeling more comfortable in our warm environment.

Partner with us to ensure Spring-Ford Counseling Services continues to meet community members where they are and assist in their mental health, family, and/or substance abuse needs.

Our deepest appreciation,

Andrew Trentacoste, Psy.D., MBA
