Friends and Donors of Spring-Ford Counseling Services, please JOIN US in our Month-of-May

MENTAL HEALTH AWARENESS FUNDRAISING CAMPAIGN!

Dine Out for Charity!

Every Monday in May at Sedona Taphouse in Phoenixville.

May is Mental Health Awareness Month – National Alliance on Mental Illness reported that 1 in 5 U.S adults experience mental illness each year. 1 in 6 US youth aged 6-17 experience a mental health disorder each year. In 2021, 25.7% of adults who needed counseling or therapy for their mental health concern were unable to get the help they needed.

As of End of March, SFCS has worked with 281 individuals, couples, and families this fiscal year. We have assisted 7 clients with 28.5 hours of no or low-cost counseling sessions using our Sliding Scale fee fund. SFCS is having a May Campaign to raise Awareness to Mental Health concerns in our community as well to fundraise to add funds to our Sliding Scale fee and continued goal to get additional qualified therapists on board.

Thank you to local businesses who donated monetary, gift cards and/or gift baskets to assist SFCS to meet our Goal of $2,000 in May!
