LIEBE KUNDINNEN UND LIEBE KUNDEN,

was bevorzugen Sie – Trend oder Bewährtes? Unsere Wahl ist ganz klar: beides!

Neue Trends kommen und gehen. Ständig wird verändert, angepasst, frisch entworfen. Hier ist voller Einsatz und Ausdauer gefragt, wenn Sie sich jedes Mal neu erfinden, um Ihre Kunden im Trend zu halten.

Wer sagt, dass das die einzige Lösung ist?

Wir haben uns bei der **DMG Kollektion** für ein modulares Konzept entschieden. Für viel Freiraum in der Gestaltung und nachhaltiger Planung in der Produktion. Das Prinzip ist denkbar einfach und gerade deshalb so genial zeitlos.

Je nach Wunsch, können Sie die Modelle individuell zusammenstellen und ausführen lassen. Das besondere i-Tüpfelchen setzen Sie mit Ihren aktuellen Stoffen und Ihrer persönlichen Beratung. Ihr Angebot bleibt einzigartig und Ihre Kunden kommen immer gerne zu Ihnen zurück.

Gleichzeitig bauen wir auch auf Kontinuität. Uns ist es wichtig, dass Sie sich auf unser Erfolgsmodell wirklich verlassen können: **hohe Produktqualität, unterstützender Service, ehrliche Eigenverantwortung.** Und ja, wir sprechen aus langjähriger Erfahrung. Tauschen wir uns aus!

**Wir freuen uns auf Sie und unsere Zusammenarbeit.**

## Komfort-Bettsofa

Mit nur einem Handgriff wird aus dem Sofa ein bequemes Bett. Durch den cleveren Bettmechanismus müssen weder Sitz- noch Rückenkissen entfernt werden. Diese sind direkt am Bettgestell befestigt.

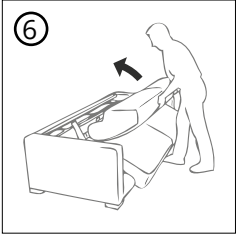

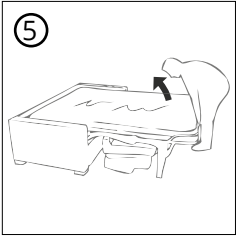

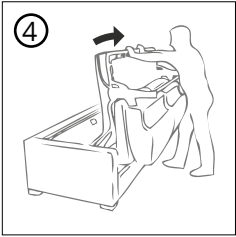

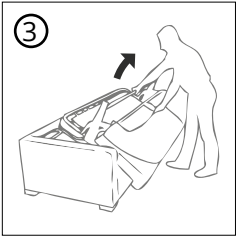

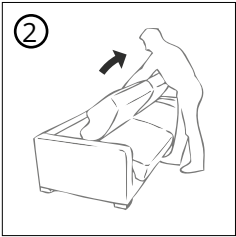

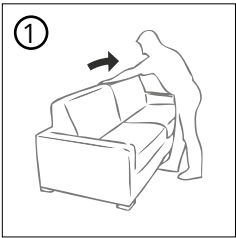

Das Bettsofa ist mit integrierter Federkernmatratze (Variante: Taschenfederkern, zzgl. Aufpreis) ausgestattet, in den Maßen

14 cm Höhe, 200 cm Länge. Eine Elastikband-Gurtung unterstützt einen optimalen Liegekomfort.

Die Rahmenkonstruktion besteht aus kaltgewalztem Stahlrohr und ist mit Epoxidharz feuerveredelt. Dadurch wird der Rahmen antistatisch. Armlehnen, wie auch Rückenlehne sind

mit Steckverschlüssen befestigt und einfach abnehmbar.

Alle Sitz- und Rückenkissen bieten wir mit unserer Kissenfüllung (Polyurethanschaum mit Diolenwattierung) in verschiedenen Härten an.  
(Hinweis: Holzfüße unter den Armlehnen; Bettgestellfüße nur schwarz)

## NACHRICHT AUS DER PRODUKTION

In unserer Zusammenarbeit legen wir Wert auf gute Information. Sicherlich kennen Sie den Auftragsprozess: sobald Sie von uns Ihre detaillierte Auftragsbestätigung zu den gewünschten Modellen erhalten haben und Ihre Stoffe bei uns eingegangen sind, kann es mit der Produktion richtig losgehen.

**Unser Service:** Sind Ihre bestellten Möbel fertig, senden wir Ihnen ein Foto frisch aus der Produktion. Anschließend wird alles sorgfältig verpackt und an Sie versandt.

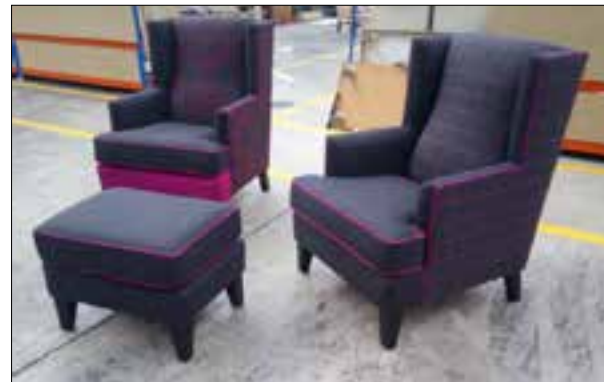

## TIPP FÜR EINE ERFOLGREICHE KUNDENBERATUNG

Aus den unzähligen Produktionsfotos ist ein umfangreiches DMG Archiv entstanden, das ständig weiter wächst.

**Unser Service:** Wir möchten Sie gerne in Ihrer Kundenberatung unterstützen. Da mit echten Beispielen Ideen und Ausführungen viel einfacher visualisiert werden können, bieten wir Ihnen Zugang zu unserem DMG Archiv. Fragen Sie uns gerne. Gemeinsam finden wir für Ihr Beratungsgespräch die passenden Produktionsfotos.
