VOLUME 54

APR-MAY-JUNE 2022

NUMBER 2

RESCUE THE PERISHING IN THE UKRAINE!

As sad and tragic as it is, this war in the Ukraine is putting a new meaning to our Scripture theme of "Rescue the Perishing"! According to the Scriptures we know that God is not willing that any should "PERISH", but that all should come to repentance. Consequently, our goal to produce 1,000,000 Ukrainian New Testaments could not supply any greater need at any more crucial or more important time as right now for the Ukraine and refugees fleeing to other surrounding countries. Every Bible, New Testament and Bible portion that this ministry produces is with the prayer and intention that this Bible will be the lifeline to "Rescue" one or more lost souls from an eternal hell!

We also know, that as a result of this inexcusable and immoral war, that countless numbers of Ukrainian soldiers, innocent civilians and Russian soldiers have gone out into eternity without Christ. What if we could have been able to have saturated this country with a million copies of God's precious written Word before this War broke out? What a difference it could have made if only there were enough missionaries there to reach them. If only one of those missionaries had cried out to us six months ago, writing or had called us asking for a million Scriptures for their people. If only we had known, what a difference it could have made to those who have already lost their lives in this war!

Tragically, this war is far from over and we can only anticipate there will be thousands of more casualties before it is over! We can plead Romans 8:28 though I'm not sure that it will suffice when we stand before the Lord and give an account someday. The lesson to be relearned from this is not a new one, but one that has occurred repeatedly thousands of times in thousands of places the world over. The longer it takes us; "the church" to saturate the world with the "WORD", the gospel of Jesus Christ, the more wars, deaths and millions of people who will be going out into eternity lost without any knowledge of the Lord Jesus Christ!

While we cannot personally cause anyone to come to know our Lord and Saviour, Jesus Christ, through His written Word, we can at least introduce them to Jesus, warning them of a pending, literal, burning hell and give them a choice enabling each individual to be able to make that decision! I would that we as Christians could find some way of bringing this needless, unprovoked war caused by an evil, wicked Satanic empire, imposing on an innocent sovereign country to an immediate end but we cannot. We can and must however, pray for them and provide them with the written Word of God assisting them as much as we possibly can with humanitarian aid to also help sustain them physically.

With the prayers and financial support of those of you who are partners in this ministry, we have shipped 223,000 of the 250,000 Ukrainian New Testaments with a third printing of another 125,000 on the press. We have shipped two containers, one with 96,600 Ukrainian New Testaments and one with 89,000 Ukrainian New Testaments into Warsaw, Poland where these New Testaments will be loaded into trucks and carried directly into the Ukraine. In addition, we have provided Scriptures to help fill two other containers going to Romania containing 25,700 Ukrainian New Testaments and thousands of Romanian and Hungarian Bibles, Russian New Testaments and Russian Bible portions.

The Ukrainian New Testament that we are printing is a revised text translated by Pastor Yura Popchenko and a team of Ukrainian Christians, many of them still in the Ukraine. We had not had any previous knowledge of or contact with Brother Popchenko until we started receiving request from Independent Baptist mission ministries here in the states in search of Ukrainian, Russian, Romanian, Polish and German Bibles and Scriptures. Our BLMF President, Dr. Mark Smith knew of Pastor Popchenko and his translation work with the Russian Bible Society and was instrumental

Rescue Continued on Page 2

Please mark your calendars! Dr. David Gibbs will be returning as our keynote speaker again preaching each evening at the 7 PM services! As with previous Scripture Conferences, the conference starts on Monday evening with our special "Gourmet Supper" at 5 PM for all Pastors, Missionaries, Evangelists, full-time Christian workers and all of our out-of-town guests! Preaching and special music is on Tuesday, from 9 AM to 3 PM with lunch provided for everyone in attendance! Then an exciting morning of activities at the Bible Barn on Wednesday from 9 AM to 1 PM, including a lecture on the history of our KJ Bible, testimonies from special guests, load a container of Scriptures (Ukrainian New Testaments) climaxed with a delicious lunch at 12 noon for everyone present.

Tuesday's speakers along with the names of singers, musicians, missionaries, and other special guest to be announced! Among them one or

more missionaries from the Ukraine, Romania and/or Hungary! Please mark your calendars and come expecting a great time in the Lord, three delightful days of Spirit filled preaching, special music, fellowship, delicious food and wonderful Tennessee and Victory Baptist hospitality! Also, a grand time of celebration, celebrating 54 years of printing, publishing producing and distributing God's precious written Word.

As I like to remind everyone every year, you evidence your love and compassion for lost souls and your KJ Bible by your prayers and financial support of this ministry, but it is your attendance at these conferences that demonstrates your love and appreciation for this ministry! God bless all of you who attend every year, "Thank You", you are such a blessing, and you contribute so much to the conferences, and you make them feel like one big family reunion!

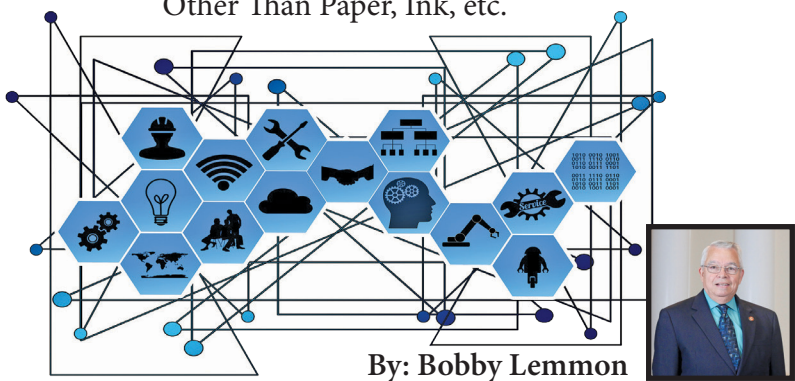

By: Shannon Lemmon

I will never forget his face. It was the first time our dear friend, Pastor Patterson from Memphis, TN, had come to see this Bible-printing operation in person. Brother Patterson had been supporting this ministry for over thirty years. He had met my grandfather, Dr. Bob Lemmon, Sr., at a conference in Memphis and became fast friends with him. He says that Grandpa made such an impact on his life he immediately wanted to be involved with his Bible production and distribution ministry, so his Church started faithfully supporting BLMF. Yet, his jaw literally dropped as he stepped into the print shop on Cannon Boulevard during our Scripture Conference in 2008. He couldn't believe how big and efficient the operation was. Jokingly, Pastor Patterson remarked, "I figured we were still hand-cranking a machine to print the Scriptures!" It is overwhelming, indeed, to view a web press "cranking" out the Word of God at thirty feet of paper per second; and it's about to get even better!

For fourteen consecutive years, BLMF has been blessed to hold not just another conference, but an annual celebration of the goodness of God! All year long, precious churches around this Nation and other countries sacrificially give to BLMF so the world may be reached with the Pure Word of God. Then, for three autumn harvest days in the beautiful rolling hills of middle Tennessee, they all come together to rejoice at the results of the power of the printed Word on the foreign mission field. Of course there are the normal conference expectations of Spirit-filled preaching, singing, AND delicious meals, praise the Lord; but there is also another transcending dynamic you will find at the BLMF Annual Scripture Conference. It's visibly seeing the Great Commission (or Great Command as Grandpa called it) coming to fruition! As you hear from the dear missionaries on the foreign field proclaiming the mighty hand of God at work through His Word in the lives of their people, your heart is stirred. When you see the pictures and videos from **Save Continued on Page 4**

Ministry Needs

Other Than Paper, Ink, etc.

By: Bobby Lemmon

II Pet. 2:2 tells us that we can grow spiritually through the sincere milk of the Word. How much more do you suppose the Lord would have us as a church or a ministry that is dedicated to the preaching or the printing of His Word to grow not just spiritually but in our usefulness and productivity? If we are in His will, faithful and dedicated to work that He has called us to do, should we not also be growing in our service to Him also? I used to ask the Lord every year what He would have us to set for a production goal for the coming year and every year the Holy Spirit would always say, “More than you did last year” so I got the messages and quit asking! As Christians, we must never become complacent with our spiritual growth and in our work and service for the Lord! As dear ole Dad used to say, “There is no standing still in the work of the Lord, you are either going forward, growing or you are going backward!”

In the 53 years (going on 54), this ministry has been printing, producing and publishing the precious written Word of God, with very few exceptions God has increased our production every year and as we have exercised greater faith, He has honored that faith with more increase! While the Judas’ of this world may say that the cost of producing these Bibles is too expensive, I would have to ask in comparison to what? Even with the recent 22% price increase in paper and materials, this ministry can still put a quality Bible into most countries for under \$3 per Bible, it was \$2.50!

Once in the hands of the people, God’s Word can cross most language barriers. It does not cost anything to maintain, house or feed, and when applied it can save the lost, redeem the back slidden, give hope to the hopeless and peace to the downtrodden. Futhermore, when the church is taken home, these Bibles and Scriptures will be the only gospel witness left in this sin cursed world. The truth be told, nothing has revolutionized missions and produced more spiritual fruit than the mass distribution of God’s written Word and at a time when there are fewer missionaries in foreign countries than ever. With two wonderful promises from God, that heaven and earth shall pass away but His Word shall not pass away and that His Word will not return unto Him void!

This ministry is made possible by your prayers and three sources of income: Your regular financial support and contributions designated for paper and Bibles pay for the paper and printing materials to produce our Bibles and Scriptures. Undesignated love offerings pay for salaries, and all other operating cost and expenses with all excess going

into Scripture production. Thirdly, other designated funds go where designated such as shipping sponsors, equipment purchases or construction projects!

When It Becomes Necessary To Purchase Equipment, Upgrade Existing Equipment, Purchase A Building Or Fund A Construction Project: We MUST raise these funds separately over and above all other financial support, contributions and love offerings! Ordinarily, we would not make a big ordeal out of a special need; just make a low-key request for a specific need by mentioning it in a monthly support letter or in this quarterly newsletter! However, our present situation may require a little more attention, effort and definitely more funds than usual because we unintentionally and unavoidably have acquired not one but four of these special projects that need funding.

For your prayers and consideration, we are providing a list of these special needs but first want to take this opportunity to thank each one of you for what you are already contributing to the regular financial support and operation of this ministry. To avoid a decrease in our production of Bibles and Scriptures, it will be essential that we first maintain our current level of regular support, contribution and love offerings. Consequently, to apply contributions you would normally give as support, contributions for paper and Bibles or as regular love, offerings to one of these other special needs will only create a shortage in another area.

SPECIAL FINANCIAL NEEDS!

(1-3 are immediate needs in progress now)

1. The remaining expenses on the installation of the larger web press estimated to be \$125,000 to \$150,000*!
2. Cost to replace three computers and upgrade our plate making system to Windows 10 - \$40,000!
3. To replace our only digital printer (again Windows 10) - \$57,700!
4. An urgent need to add on some additional storage and warehouse space to our existing building, which we do not want to start on until the first of these three projects are adequately funded and retired!

If you would like to designate which project you would like to contribute to please write that on your check or otherwise specify “Special Projects”! Thank you!

*you will find a separate article giving an update on the progress of the newer, larger web press!

Rescue Continued from Page 2 in obtaining permission to print their recently revised Ukrainian New Testament.

When we first contacted Pastor Popchenko, he was reluctant to grant us permission to print 1,000,000 of them as he explained later, “I had no idea how in the world we would ever be able to distribute so many”. That is, until he offered some of the New Testaments on social media to anyone who would like to have them and in two days had received request for over 40,000. Now he is excited about the prospects of our printing as many as possible! Of the American missionaries serving in the Ukraine and surrounding countries that I have spoken with or corresponded with who know Pastor Popchenko personally, all of them respect and approve of this New Testament text.

Please read Pastor Yura Popchenko’s May prayer letter below we received on June 2, while I was in the process of writing this very article. God is good and always faithful!

Translating the Bible into Ukrainian

The Popchenko Family

*“So then faith cometh by hearing, and hearing by the word of God.”
Romans 10:17*

It is the 98th day of war in Ukraine. After unsuccessful attempts to capture Donbas in the past month, Russia has launched a massive propaganda attack in Europe and America through those who broadcasted the Kremlin’s propaganda. It all started by France’s President Macron saying that Ukraine should give up its territories in order to let Putin ‘save face’. (What? We should save a bloody tyrant and war criminal’s face?) The propaganda was picked up by the New York Times’ editorial ‘The War in Ukraine Is Getting Complicated, and America Isn’t Ready’. The article said that Ukraine will not be able to regain its territories Russia has seized since 2014 and “popular support for a war far from U.S. shores will not continue indefinitely” because “inflation is a much bigger issue for American voters than Ukraine, and the disruptions to global food and energy markets are likely to intensify”, so Ukrainian leaders will have to give up Ukraine’s territories. Then Henry Kissinger said at the World Economic Forum in Davos that Ukraine should cede territory to Russia to end the war. Finally, CNBC journalist Hadley Gamble’s asked the Ukrainian Foreign Minister Dmytro Kuleba on the podium of the Davos Economic Forum, “Should the world pay for the food crisis and rising energy prices for Ukraine’s unwillingness to cede its territories to Russia?” All the narrative boils down to this, “Why should the Western world suffer the inconvenience of rising gas and food prices only because those selfish Ukrainians do not want to be all killed and lose their country?” Make no mistake: Putin’s intention is not to chip off some of Ukraine; rather he wants all of Ukraine while completely annihilating Ukrainian identity. Even if peace can be achieved now by Ukraine giving up its territories (which is doubtful), it will only result in a bigger and bloodier war later with much greater consequences for the whole world. We don’t have an alternative to winning: it is a life or death situation. Please pray for Ukraine to win soon!

We are excited to report that massive quantities of Ukrainian New Testaments have been printed and some of them are even distributed by now. German Bible Mission and FriedensBote printed and distributed 50,000 copies and 10,000 copies, respectively. Baptist Couriers for Christ sponsored printing 20,000 copies in Poland which were delivered to Ukraine today. Another Polish ministry printed 34,000 copies, some of which were delivered to Ukraine today. The Reformed Bible Society of the Netherlands printed 20,000 copies some of which are being distributed in the Netherlands and some will soon go to Ukraine (particularly to Transcarpathia where millions of displaced Ukrainians are located). Bible & Literature Missionary Foundation (BLMF) has printed 250,000 copies most of which are being delivered to Ukraine. The first container of 96,600 copies is on its way; the ship is expected to arrive at Gdansk, Poland, on June 20th. Other containers, one of 89,000 copies from BLMF and one of 60,000 New Testaments with 100,000 John & Romans from Bearing Precious Seed are waiting to ship from America. Please pray for the New Testaments to get to Ukraine as soon

Popchenko Continued on Page 3

A great big “thank you” to every pastor, church and Christian friend who prays for and who faithfully supports this ministry financially, because of your love for the Word of God, lost souls and this ministry BLMF has had a very productive first five months of 2022. We consumed 13 trailer loads of paper printing 1.4 million Bibles, New Testaments and Bible portions, shipped 12 container/ tractor trailer loads, multiple pallets and cases containing 1,247,024 Scriptures. Two containers to Kenya, (different missionaries) two to the Philippines, (different missionaries) two to Poland and one each to the following countries: Australia, Togo, Liberia, Mexico, Honduras/Central America and Pakistan. In addition, we have the contents finished and ready to fill and ship three more containers: Burmese Bibles for Miramar, a second container for Honduras/ Central America and one for Uganda!

As we have reported in our previous newsletter, as of May 1, after seven paper price increases in ten months, our Bible paper has increased from \$35,200 per trailer load to \$42,680, a price increase of \$7,480 per trailer load. A roll of paper for our small web press that was \$800 per roll is now \$975 per roll! For all practical purposes, a \$1.00 a pound, \$1,000 per roll. At last year’s Scripture, Conference we were raising funds for paper at \$1,000 per roll however, that was when the rolls of paper were \$800 per roll, that additional \$200 per roll included the cost of the ink and plates to produce a roll of paper into printed signatures. That additional \$200 per roll and the wonderful response and generosity on the part of those sponsoring and pledging rolls of paper last contributed greatly to last year’s record production showing how much more can be accomplished when those additional funds are available.

To God be all the praise and the glory, we have averaged purchasing three trailer loads of

paper a month since March of 2021 but each of these seven increases have make it progressively more difficult each month. This last increase in May was the largest of the seven increases, an increase of a \$22,440 a month increase for three trailer loads. This means that this ministry needs to find or recruit an additional 225 new supporting churches immediately each giving \$100 per month. Or each of our current supporting churches to increase their regular support by \$56.10 per month in order to continue purchasing three trailer loads of paper a month and do it at a time when people are trying to cut back on their spending due to inflation! It remains to be seen what God or God’s people are going to do but as for this ministry we plan to keep ordering three trailer loads of paper a month as long as the Lord provides!

We certainly will need the paper as we have commitments to produce 11 more containers of Scriptures between now and the end of the year: one of French Bibles for Haiti, one more of English Bibles and New Testaments for Kenya, one of Bi-lingual Urdu/ English Bibles for Pakistan, one more of English Bibles and New Testaments for the Philippines, one of Pidgin English Bibles for New Guinea and six more containers of Ukrainian New Testaments for Ukraine, Poland, Romania, Hungarian and Germany to complete our one million Ukraine N.T. project! Given sufficient funds and the time to complete these 11 containers, we will have produced and shipped a record 26 containers in 2022! Please pray that we can be successful at completing all of them, a tremendous challenge at the current cost of the paper and printing materials!

In addition to the printing cost, I have not even mentioned shipping, some of these containers have sponsors who are paying for the freight but some of these do not. I know we will need shipping sponsors for the one for Pakistan and the six more containers of Ukrainian New Testaments, not sure about some of the others. Of the first two, this ministry paid \$5,900 to ship the first container and “Couriers For Christ” sponsored the second container.

Popchenko Continued from Page 2 as possible and for more to be printed because the need is great!

To give you an idea of the need for Ukrainian Scriptures, I will share with you a story. While waiting for the 20,000 copies from Poland to arrive, I posted an announcement on my Facebook saying that New Testaments could be ordered for free distribution. In just two days, we received orders from all over Ukraine for about 40,000 copies. This is not including an order for 10,000 copies and the orders from Germany and Spain which we had to decline. The reception of Ukrainian New Testaments has been amazing! Here in Germany people are so glad every time they receive a New Testament. A Polish brother told me that refugees on Ukrainian-Polish border often cry for joy when they receive Ukrainian New Testaments. When he brought the New Testaments to Warsaw and gave them to Christian refugees, they were SO excited that it was Y. Popchenko’s translation.

We are very thankful for the Hope for Help Christian humanitarian ministry that partnered with us to bring the New Testaments from Poland to Ukraine. They delivered 24,680 copies in a semi-truck today and are waiting to receive a container of 96,600 copies which they helped to ship from BLMF. They will also be bringing two other containers mentioned above. Hope for Help has one warehouse near Warsaw, Poland, and one near Rivne, Ukraine, where they store humanitarian aid. This is extremely important since no missionary or church in Poland or Ukraine is capable of storing a container of Scriptures. The ministry was formed the day the war began and has been actively supplying food to Ukrainians at the front zones from the onset of the war. Along with food, they wanted to supply the people with the Scriptures and God brought our way together. In the beginning, Hope for Help was able to bring 3 semi-trucks a week, but now they are able to send only one a week due to the lack of funds. However, the need for their ministry is greater than ever before. If in the beginning of war people in Ukraine had some supply of food and money, now they have nothing. Many people on the front and in liberated zones are literally starving. I would strongly encourage you to donate to this organization so that they can continue to deliver food and New Testaments to needy people in Ukraine. You can either send a check payable to ‘Hope for Help’ to 11723 SE 249th St Kent WA 98030, or make a weekly subscription on their website at <https://hfh-us.com> Make sure you browse their website and see what they are doing.

Praises and Prayer Requests:

- 1. Praise the Lord for many copies of the New Testament printed!
- 2. Pray for safe and quick delivering of the New Testament to Ukraine.
- 3. Pray for 'Hope for Help' to have sufficient funds to continue their vital ministry.
- 4. Pray for more New Testaments to be printed.
- 5. Pray for people to come to know the Lord through reading Scripture.
- 6. Pray for Sashko and Evelina to be able to get a marriage license and have a wedding ceremony soon! (His oldest son)
- 7. Pray for Ukraine to win soon!

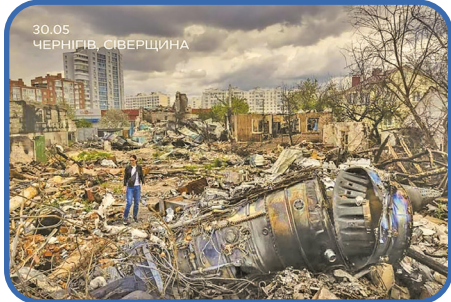

Pictures from Ukraine

Children of war

Living at train stations

This year's sowing campaign is very unusual: Ukrainian farmers risk their lives to sow crops on the mined fields.

USED EQUIPMENT FOR SALE!

PAPER CUTTERS
Horizon PC64CM (26")
Pro Cut (MPS) Model 320 (32")
Chahleage Diamond (30")

VIBRATOR/JOBBER 24" X 24"
HASLER MAILING SYSTEM
8 POCKET MULLER MARTINI SADDLE STITCHER
2 - 90° CONVEYORS - 1 BELT & 1 ROLLER

No! We are not going into the used equipment business! Most of these items were purchased soley for the purpose of passing them along to friends, churches or other ministries who might want or need them. These 3 paper cutters would be excellent for starter ministries doing Bible portions such as a seedline ministry doing John & Romans. This 8 pocket saddle stitch machine is capable of collating, stitching & trimming over 5,000 J&R's per hour. Call or email for pricing.

In two words, “progressing slowly” but nonetheless, praise the Lord it is progressing! As to how soon it will be before it is running, “soon I hope” or should I say “all in God’s own time”! This has been a difficult and expensive ordeal but for the most part, unavoidable! I just will be sooooo glad when it is behind us!

To refresh your memory, when the press first arrived the two-man crew exhausted from the previous 5 months it had taken them to disassemble, load and move the press here, took a much-needed two weeks of “R&R”! Then as soon as they returned both men came down with the dreaded “C virus”, losing another two weeks, taking the installer’s assistant Johnny out for the rest of the year. This left the installer Jim, our friend of 18 years here with a severely reinjured back, a one-man crew to do the impossible, move our 5 color sheet fed press and assemble an 84,000 lb. web press. I guess you are beginning to get the picture!

Well, amazing, as it was, Jim with his bad back, no assistant helper did the impossible, moved our 5 color sheet fed press, put it back together and after overcoming all kinds of electrical and mechanical problems got it operating beautifully. Then almost singlehandedly, Jim set that 84,000 lb. web press in place where the 5 color previously set then went home to NC and had much needed back surgery!

With only six weeks of recovery time after his surgery, Jim and his assistant Johnny returned January 4. Jim probably returned too soon as he has continued to suffer with his back limiting the number of hours, he can work a day. Assembling this kind of heavy

equipment is not only difficult, tedious precision work requiring great skill and experience but also hard manual labor best suited for younger healthy men certainly not something that two older men in their sixties and especially something one with a bad back should ever attempt to do.

If all that Jim had to contend with was his bad back, he and Johnny probably would have already had this press running but he owns his own business and has other companies that he does work for. This makes it necessary for him to leave us from time to time to go help other companies who are having work related mechanical problems. In addition to all of the above, we have elected to make a couple of modifications to this press that is going to make it far better suited for what we need it to do, requiring some additional time and expense.

To complete one of these modifications it is requiring Jim to bring in an electrical engineer who we are waiting on now to come in and do his part, other than that, the press is mechanically all-together and ready to go with the exception of some electrical. As much as I am wanting to see it finished, up and running more than anyone, it sure would be a blessing and a weight off me and this ministry to be able to have it completely paid for before or by the time it is running.

One church has already contributed \$175,000 toward this press covering the purchase price, the disassembling and moving it to Shelbyville. I am estimating that we are going to need to raise another \$125,000 to \$150,000 to pay for all the installation and modifications to the press.

Save Continued from Page 1

around the globe of the souls who have been saved after receiving the Scriptures, grateful tears fill your eyes. Then on Wednesday as you enter the Bible Barn (our family’s favorite day of the year), and smell the ink and hear the loud humming of the press and binder, everything within you wants to shout and get more involved in this awesome endeavor of producing and providing God’s life-changing Word to the world in need! You see, as each box of Scriptures is loaded into that container during the “BBQ at the Bible Barn,” you realize that there is no greater purpose in which to be a part. As Pastors from every corner of the country lay their hands on

the truck and ask God to bless the delivery across the earth, you do not regret making the trip to Tennessee. This year, you will not see and hear just one press printing God’s Word, but two! Don’t miss this amazing opportunity to share in the wonderful work of the Lord. Our precious Church, Victory Baptist, and Pastor want to see you here! We promise you won’t leave thinking it was just another conference, but one that will change your life and the lives of your people! As one Pastor put it, “BLMF has literally changed our ministry for the glory of God!” Save the Date! October 17th-19th this year! Call us if you need assistance booking your accommodations. Come see it for yourself!

What other Pastors are saying about our Scripture Conference.

The reason I, the men of my church including my wife; when she can come is: There are no camps at this meeting. We all come together and give Glory to God by celebrating the Printing of the King James 1611 Bible and the cause of getting it distributed to a lost and dying world.
-Pastor Bill Keen (Victory Baptist Church in Beaver Creek, OH)

I have attended the Scripture Conference several times and absolutely love the preaching, the music, the food, and the fellowship. I personally think that the BLMF Conference is one of the best that I have ever attended. The highlight of the conference is the time at the Bible Barn. When I first saw the Scriptures being printed, it brought tears to my eyes. I think every Bible believing church should support this great ministry. We plan to attend every year.
-Pastor Terry Fenton (Seneca Baptist Church in Seneca Falls, NY)

We love going to the Bible barn and seeing the scripture printed and then loaded in a container and sent around the world so others may know the love of Christ.
-Pastor Dennis Davis (Temple Baptist Church in Midland, TX)

Of all the many needs of this ministry our greatest need is to have your prayers, and second to the reading and studying of God’s precious Word, a Christian’s greatest need is to pray! E.M Bounds in his book “Power through Prayer” said, “No man can do a great and enduring work for God who is not a man of prayer.” Also from that same book: “God has of his own motion placed himself under the law of prayer, and has obligated himself to answer the prayers of men. He has ordained prayer as a means whereby he will do things through men as they pray, which he would not otherwise do.” John Wesley wrote, “God does nothing but in answer to prayer!” If prayer can move mountains, change the hearts of men, heal the sick and raise the dead, it is quite capable of meeting the needs of this ministry, in your church, and in each of our lives!

SPECIFIC PRAYER REQUEST ON BEHALF OF THIS MINISTRY!

1. Director, Assistant Director, Board of Directors & staff for wisdom & the Lord’s leadership & guidance in every decision that must be made in behalf of this ministry.
2. That every copy of God’s Holy Word that we produce will be the means of many people trusting in the Lord Jesus Christ!
3. To double our current level of financial support!
(Sufficient to purchase 4 trailer loads of paper a month)
4. A second experienced web press operator!
(To operate our larger web press)
5. An experienced computer operator capable of Graphic Arts Design (To take the place Mrs. Allen who is retiring after 37 years)
6. Offerings adequate to cover the installation of our larger web press, computer & CTP upgrades & replace our digital printer!
7. (After #6. Is funded) Additional funds sufficient to add on some warehouse space to our existing building!
8. Each other, supporting pastors, churches, missionaries, and our country,
9. That the Lord of the harvest will send forth labors into the harvest, for Persecuted Christians in Ukraine and around the world!

We Just Received Word!
Of an Eighth paper price increase, in
one year, effective August 1st!

A 5.5% increase is
\$2,347.40 per trailer load!

This brings the cost of a trailer load
of Bible Paper to \$45,027.40 which
equals \$1,023.35 per roll!

We have one month (July) that we can purchase paper at the current price of \$42,680! If we double our paper purchase in July to 6 trailer loads we can save \$14,084.40 before the August 1st price increase, but to purchase 6 trailer loads we need to raise \$256,080 before the paper bill is due August 28, 2022!
