2020 Scripture Conference

Since the Lord has so wonderfully blessed the Scripture Conferences every year, it has become a real challenge to me, Shannon, Tiffany and our staff as to what we can do to make this year's or the next one better. By better meaning more exciting, more Christ honoring, a greater blessing to those who attend and more beneficial to this ministry.

Coming into this year's conference, with COVID and having experienced so many other challenges this year, I was a little more apprehensive than in previous years. Our board of directors debated until July as to whether we should even have the conference this year or not! I'm so glad we did, it was a great conference, the attendance was very good. We counted sixty pastors, preachers and missionaries present and I'm sure there were others who were here but didn't get counted.

Dr. John Wilkerson brought two tremendous messages Monday and Tuesday evenings. Our host pastor, Brother Loyd Warren, of Victory Baptist Church, Shelbyville was the first preacher up on Tuesday morning, followed by Pastor Guy Beaumont, Harvest Baptist Church, Allentown, PA. and Pastor Daniel Cox, Space Coast Baptist Church, New Smyrna Beach, FL. Pastor Cox brought his first sermon Monday and sang his second sermon on Tuesday evening! Brother Freddie Reed an Evangelist out of the Bible Baptist Church, El Dorado, Arkansas preached two powerful messages Tuesday afternoon and the Wednesday evening service. Every message in every service was up lifting, Spirit filled and challenging as was all of the special music. Special music provided by: Sister Rebecca Peck, Tiffany Lemmon, Pastor Daniel Cox, Pastor Josh Leathers, Pastor Sam Epley, the Reed Family, the Good Shepard's Children's Home, our Victory Baptist Corral and our Conference Choir. No conference would be complete however without good home cooking and we had plenty of that too, abundant and delicious and the fellowship was the best you would ever find this side of heaven!

One of the highlights of every conference is our Wednesday service here at the Bible Barn. As a matter of fact it is always a fun time, a casual time of fellowship, missionary testimonies, loading of a container of Bibles and an unforgettable BBQ lunch with all the trimmings and deserts. Missionaries present: Larry Brinker - Missionary Aviation, Tim Carpenter - BPS, Wyldewood Baptist, Oshkosk, WI, Dr. Bob Ford, BPS - First Baptist Church, Milford, OH, Jim Roe - Milford OH, Mathew Furan - Philippines, Darren Townsend - Peru, Glen Yeager - It's 4 Him Ministries, Rufus Saripalli - India, Rodger Riley - Philippines, Ken Ruskin - Vision Ministries International, Mike Saunders - Veterans for Christ, Emanuel GomGompo - Togo, Ed Stanley - Bibles for Africa, Mike Williams - G.E.M.S., Jason Rongone - Wales, Tony

As this year comes to an end, I feel as though we, me and this ministry, have been in a literal, physical fight for the last 12 months. We have survived, praise God, but we are bruised and sore all over! While I don't want to wish away any of the few days that I have left on this earth, I will be glad to say goodbye to 2020 in hopes that 2021 will be kinder, gentler and more

productive. Not that a New Year will be any better, easier or more productive but we can certainly hope and pray! Which makes me think of what dear "ole" Dad used to say, "Son, be content with today's problems because tomorrow's may be worse!" The apostle Paul had something to say about being content also!

We started off 2020 with a great "20/20 Vision For 2020" with the expectation of exceeding the previous year's production but Satan wasn't going to have it and the fight was on. It started in January and

"Pressing On" is our theme for 2021 with our text verse taken from Ph. 3:14, "I press toward the mark for the prize of the high calling of God in Christ Jesus." The Holy Spirit's choice of the word "press" implies to go against opposition. "Press" as in "pressure", was the normal way of life for the apostle Paul. While a very distant second to our Lord and Saviour when it comes to suffering, the apostle Paul had to be the most persecuted, hated and reviled preacher of the gospel to ever live. His ministry covered a span of 30 years as compared to the one year that Job suffered his great trials and tribulations.

According to Acts 9:16, I believe the apostle knew and was resolved to the fact that from his conversion forward his life was going to be fraught with great hardships, heartache, pain, sufferings and ultimately death. In this same chapter, he was let down by a rope through a window to avoid the Jews that were lying in wait to kill him and in Chapter 14, he was stoned at Derbe. In Chapter 21, we find him in prison, arraigned before the Sanhedrin in Chapters 22 & 23, questioned before Felix in 24, before Festus in 25 & 26 and under house arrest in Rome in chapters 27 & 28. Then in II Cor. 11:22 - 12:7, the apostle lists many of the trails and afflictions that he had experienced and said in vs. 9b, "I rather glory in my infirmities and in vs. 10, "I take pleasure in infirmities, in reproaches, in necessities, in persecutions, in distresses for Christ's sake: for when I am weak, then am I strong."

II Cor. 4:8-11 he said, "We are troubled on every side, yet not distressed; we are perplexed, but not in despair; Persecuted, but not forsaken; cast down, but not destroyed; Always bearing about in the body the dying of the Lord Jesus, that the life also of Jesus might be made manifest in our body...that the life also of Jesus might be made manifest in our mortal flesh." Verse 17 says "For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory;..."

In Ph. 3:3-4 the apostle tells us "...rejoice in Jesus Christ, and have no confidence in the flesh. Though I might also have confidence in the flesh. If any other man thinketh that he hath whereof he might trust in the flesh, I more:..." In Ph. 3:5 and also in II Cor. 11:22, Paul tells us what he has to boast about, but then goes on to say in Ph. 3:7-8 "But what things were gain to me, those I counted loss for Christ. Yea doubtless, and I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord: for whom I have suffered the loss of all things and do count them but dung, that I may win Christ." Then, in Ph. 3:10 Paul tells us why, "That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death while looking forward to."

The apostle Paul was not a masochist nor was he doing penitence trying to pay for his sins before his conversion, he just wanted to be more like Jesus and

*Introducing Brother Loyd Warren  
Pastor of Victory Baptist Church*

We are very excited to be able to introduce to you our new pastor of the Victory Baptist Church of Shelbyville, TN, Brother Loyd Warren. He is a long time personal friend and devoted, loyal supporter of this ministry! In the last issue of this newsletter we shared with you that Dr. Jim

Tedder, our precious pastor of 58 and a half years was with the Lord. Brother Jim was special to all of us who knew and loved him; he was one of the most faithful and dedicated, loving and Godly men that I have ever known. Not only was he dedicated to the Lord and the Word of God, but to Sister Barbara his dear wife of 60 years, to his family, to his church and to this ministry.

Brother Jim was everything a pastor ought to be, he loved his people and his people loved him. Besides being a great pastor and preacher, he was my friend! After battling several health issues for years they finally took their toll on him and on Sunday morning August 30 he very peacefully slipped out of this life into eternity to be with his Lord and Saviour whom he loved and had been preaching and teaching about for so long. What a home coming that must have been!

But God, in His infinite wisdom, love, mercy and grace didn't leave Victory Baptist Church without a Shepherd for very long. Actually for no time at all as Brother Loyd had been Brother Jim's Youth Pastor and Assistant Pastor for 24 years, so our church never missed a beat! Brother Loyd had been filling the pulpit for Brother Jim in his absents for 24

Bro. Loyd continued on Page 4

to have more of Christ evidenced in his life. In his weakness, he experienced the power of God, in his sufferings, he experienced a closer fellowship with Christ, through his sufferings, he could better relate to Jesus' death on the cross and his sufferings gave him a greater anticipation of his coming resurrection. The man who once persecuted Christ now could not do enough to proclaim the gospel and exalt His Lord and Saviour! What a consuming love, devotion and commitment the apostle Paul had for Christ, driving him to give every ounce of energy and strength that he had to the preaching of the gospel and the edification of the church.

This is the reason he could say without any reservation in Gal. 2:20, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me." If we only had a few modern day apostle Pauls' we would have already evangelized this world in our day as he had accomplished in his!

The apostle goes on to say in Phil. 3:13,... "But this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." The "one" thing, the number "one" or the most important thing to him, as he wrote or dictated this book to the church at Philippi from the house in Rome where he was now a prisoner; knowing that his life was nearing an end, he says, "forgetting those things which are behind and reaching forth unto those things before". What is that "one" thing you are going to do Brother Paul? Vs. 14, "I press on toward the mark for the prize of the high calling of God in Christ." He has his eyes focused on that mark, "the finish line". After 30 years of trials, tribulations and sufferings the end is in sight and he is not going to quit, slow down or turn around now! If he knew the words to the song he was probably already singing, "It Will Be Worth It All When I See Jesus"! He was not interested in a reward, or a pat on the back as he had something far bigger, better and "higher" in mind: finishing his course and pleasing his Saviour!

May God help us as Christians, to forget our "light afflictions" and press toward the mark of the prize of the high calling of God in Christ! As a Christian, we all have a calling, a work to do for the Lord, a race to run with a "mark" to reach and a finish line to cross. How are you coming on yours?

I do not know or cannot think of anything that Satan could have done that would or could have caused as much or more harm to the church, the spread of the gospel and damage to our nation as he has accomplished with this coronavirus! This has been a very trying and difficult year for everyone, a few more rocks and pitfalls in the road but we must "Press On", The end is in sight, let's finish well! As the apostle said in Heb. 12:1-2 "...let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith;..."

By the grace of God, this ministry is "Pressing On" and we sure would appreciate your prayers and would love to have your company as we press toward the mark! Our short-term mark or "goal" for 2021 is to produce 2 million Bibles and Scriptures. Your prayers and continued financial support will help enable this ministry to reach this goal. Thank you!

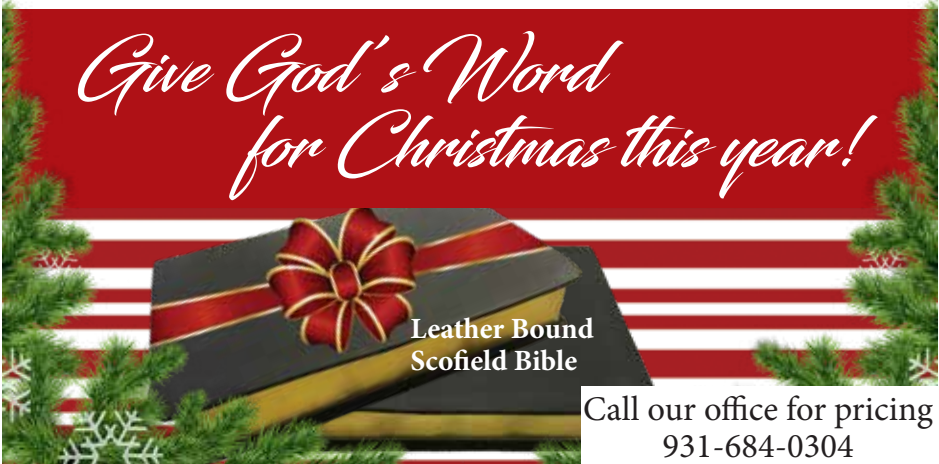

The bases are loaded, and the Believer is up to bat. Christians have been running the race of faith for many years - possibly nonchalantly at times due to the everyday pressures of life - but something feels different in this inning. The stakes are higher, and the opposition is stronger. Yet, within the heart of the determined Saint the Holy Spirit encourages that this is the greatest opportunity for victory. And why wouldn't it be? In a world full of chaos, uncertainty, and fear, the Gospel message rings as the thundering applause of an audience relieved to hear that there is a Way...the Way to life everlasting, triumph over death and hell, and comfort that will never forsake. While we do not know the hour that the Son of man cometh, the Scripture says He would not have us be ignorant concerning the timing of His return. Many preachers believe it is getting "gloriously dark" and we don't have much time left here on the field. So, what are we to do in these last days to have the largest, most effective influence for the cause of Christ? Most would agree that we must remain faithful, continuing in the work of the local Church that the Lord commanded. It is one of those commands that so strongly admonish the production and publication of His Word, the Gospel, in which the church may finish most strongly.

We must send the Word to sound the trumpet before the trumpet sounds! Trumpets have historically been used as signaling devices in battle, with examples dating back to at least 1500 BC. It was used to build anticipation of a warning or alert. As bearers of the Word, it is our duty to proclaim His Gospel and sound the warning that eternity is close! The lost must be saved now, and the saved must surrender their lives to serve their Saviour today! With every container of Scriptures that leaves the Bible Barn, 22,000-80,000 "trumpets" head to the mission field for missionaries to orchestrate the melody of His message. This provides more fruit and growth than ever before in their ministries. Churches are enlarged, churches are planted, and the work of Christ is fulfilled. In this homestretch, the Scriptures must be distributed so the warning may be given!

Also - in a world of deceit - we must send the Word, for Thy Word is Truth! Who knows what really happened with the election? The "facts" about COVID have changed from month to month since Spring. The mainstream media blatantly lies to Americans, our voices are censored on social media platforms, and many in today's generation do not see honesty as important. But there is a Truth that is never-changing...a Foundation never shaken. Thy word, forever O LORD, is settled in Heaven, and no amount of deceit or dishonesty can change that. So what an amazing occasion to give souls the Written Word of Truth! We do not have to wonder or second guess the Scriptures when we share them or send them...Hallelujah! We know beyond a shadow of a doubt that we are giving Truth! People are interested in hearing about this ever-true guarantee. In this homestretch, the Scriptures must be shared so those in need may hear and know Truth!

Finally, we must send the Word, for sheep need the soothing voice of the Shepherd. Have you heard the cries of a newborn babe who seems to be in dire distress? Many times they are crying with a need...perhaps hunger or discomfort, but sometimes they scream because they simply want to be comforted. As their mother or father picks up the fussy baby, holds them close to their hearts, and begins to speak or sing, the cry of the baby is hushed. He needed to hear the voice of the one who comforts him. If we have ever needed the soothing, comforting voice of our Good Shepherd, it is today. How so many verses have COME ALIVE in my life in a way they haven't before now! We lean into the Saviour when we read the Psalms. We hear His voice because as His sheep we know His voice. The Word of God is precious to us, isn't It? But sadly, countless Believers around this world do not have a Bible lying on their nightstand. They do not have a home or office library where hundreds of Scriptures and Christian books wait to be read. They most likely only hear the Word of God at their local churches, where the Pastor does have a Bible. They may have a page, torn out of a community Bible, so they can read and memorize it before exchanging it with another church member. The Holy Spirit is so sweet that He does speak to them from a small portion of His Word, but oh what a thrill it would be to that precious Christian to have an entire copy of the voice of their Saviour.

Let us not be discouraged, but be excited about the Need of the Word in these last days! People are searching for Truth in the midst of lies; they desire to know peace, and we can introduce them to the Prince of Peace! In order to sound the trumpet before His return, let us do all we can to produce and publish more Scriptures than ever before! What can you, your family, and your church do this Christmas season to have the most effective finish for the Lord in this homestretch? Please pray about giving the gift of Life, Truth, Comfort, Peace, and Salvation to a world seeking answers right now.

Conference continued from Page 1  
Shareeb – Lebanon and Robert Brown – Good Shepherd Children's Home. Most of these men were accompanied by their wife and family, with the wife being 60% of their ministries, they are every bit as deserving of reconnection as their husbands. I just did not have a complete list of the spouses who were present. My apologies ladies!

Our number one goal of every Scripture Conference is that the Lord Jesus Christ be glorified and honored and He was! Number two, that God's precious Word be preached with power, magnified and exalted and it was! Number three, that the hearts of those present be blessed and challenged and I sincerely believe that this was achieved as well. Our fourth goal, is that this ministry will be built up, strengthened and advanced. This one is extremely difficult to determine immediately after the conference as it takes weeks and sometimes months to know if and how much of this goal has been accomplished. Judging from the attendance, the verbal response and the financial response I would say it will be, but only time and the response of God's people in the next few months will tell for sure. God was good as always, one church gave a special \$100,000 offering, we received offerings and pledges for 95 rolls of paper and received a little over \$2,000 toward our conference expenses. After the conference, 5 more offerings for rolls of paper came in making an even 100 rolls. We are most definitely, from the bottom of our hearts, so very grateful to everyone who was in attendance, to everyone who preached, who provided special music, helped in the preparation of this year's conference, prepared, provided or served the food, worked in the nursery, gave in the offering or helped or contributed to the conference in any way! Thank you, thank you and may God wonderfully bless you a hundred fold!

Production continued from Page 1 continued all year long with more than the usual mechanical problems, triple bypass heart surgery, then COVID. Then more mechanical problems, problems scheduling projects because the digital files for new language projects didn't come in when promised, months of looking for a "newer" three knife trimmer and after we purchased one even a bigger headache of getting it delivered, set-up and running, a painful process that we are three weeks into with no end in sight! Not to mention all of the difficulties shipping containers with many foreign ports closed because of COVID, three workers out for weeks with COVID and we will not even mention the presidential election. What a year!

But we are "Pressing On"! Even with all of these obstacles and challenges God has been so good, as I tell folks all the time, He proves to us every day that He wants and intends for His precious Word to be produced and distributed proving it by the wonderful way that He provides for the needs of this ministry.

I frequently have to remind myself that God knows all about the difficulties and problems that we face in this life long before they happen and that He is able to eliminate them all if it is his will! But because He loves us so much He uses them instead as tools to shape and mold us into the image of His Dear Son, for our good and His glory!

A special thank you to all of you wonderful pastors, Christian friends and churches who partner together in this ministry to do a work for the Lord that no one church or small group of churches could ever accomplish. The Lord gave the Word and great was the company of those that published it! And in Isa. 55:11, He promised that he would send His Word to go where He wants it to go and that it will accomplish the work He wants it to accomplish.

*So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.*

Bro. Loyd continued from Page 1 years and more frequently for the last year or two when Brother Jim's health would not permit him to preach. For all of those 24 years, Brother Loyd was without exception faithful, respectful and submissive to Pastor Tedder and likewise, Brother Jim loved and trusted Brother Loyd. It was also Brother Jim's desire and recommendation that Victory would call Brother Loyd to succeed him as pastor.

On Sunday, September 27, Brother Loyd was presented to our church as our first candidate for pastor and two weeks later on October 11, by an almost unanimous vote, he was extended the invitation which he graciously excepted. Most of the members thought it was an obvious choice for our church as pastor and the transition has been wonderful, after being Brother Jim's understudy for 24 years who would be more prepared, qualified and deserving than Brother Loyd.

Brother Loyd was eight years old when his parents Brother Shelton, Sister Linda Warren and brother Lyn moved to Shelbyville sometime around 1980. Shortly after joining Victory, his Mom and Dad started our bus ministry here at Victory with Loyd, Lyn and a later a little sister Lydia helping work the bus routes. As the kids grew older they contributed greatly to the success of the bus ministry.

When Brother Loyd, then Lyn and sister Lydia went off to Bible College, with the help of a few other workers, volunteer and their grandkids, Brother Shelton and Sister Linda kept working the bus ministry and it is still going after 40 years. Loyd, Lyn and Lydia have grown up in Victory, serving the Lord has been their desire all of their life. Brother Lyn is principle at Victory Baptist Academy and Lydia is married to a preacher serving the Lord in youth ministry in another state.

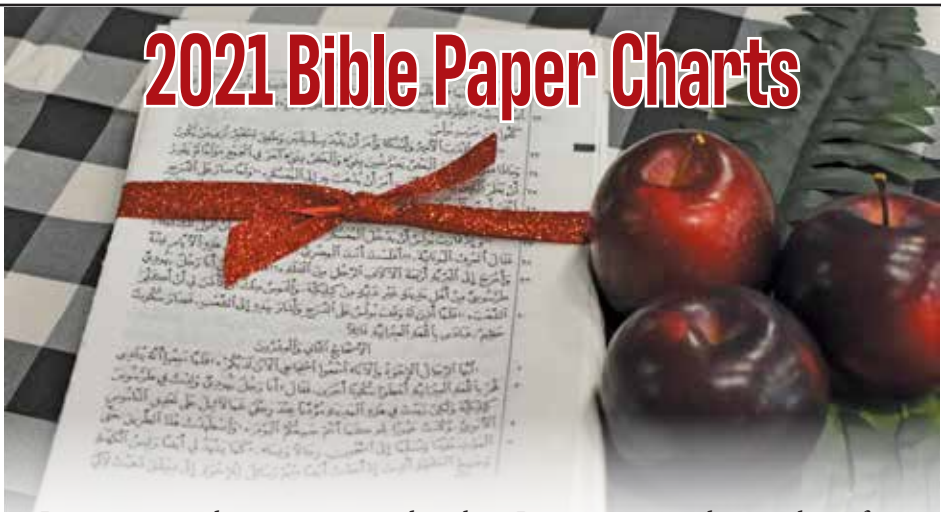

From one bus to two, then three, four and five, these buses have been bringing in 80 to 120 boys and girls every Sunday for 40 years. Only heaven will be able to reveal someday how many hundreds if not thousands of boys and girls have trusted the Lord because of this family.

I have had the privilege of knowing this family for 38 of those 40 years and they are the real deal, faithful to the Lord, their pastor and their church. While in high school Brother Loyd, worked here with us in the print shop after school and summers until he left to attend Bible College. I know this young man, and I love him as a son. I have watched him grow up and mature in the Lord and I can see the Spirit of the Lord in him. Besides being our new pastor, he is the newest member on the board of directors for this ministry.

Brother Loyd, as many Bible College students do, met a very special young lady, Miss Emily Bowman

at Hyles Anderson Bible College. They married after graduation before coming to Shelbyville to become the Youth Pastor at Victory. They have three sons, Timothy and David are in Bible College, daughter Melody and Andrew are still at home.

In presenting this ministry in churches, I cannot count the number of times I have had a pastor tell me that their church is already supporting all of the missionaries and ministries they have money to support. I understand and know that this is a problem in many churches! Well, for all of you, this chart is a method that will enable you and your church to get involved, or more involved in the publishing and the distribution of God's written Word without taking funds from your church's mission budget or regular tithes and offerings.

One of our "Bible Paper Charts" can if worked, accomplished three very important purposes for the work of the Lord while benefiting your church at the same time! First, once everyone understands that this offering is to be given over and above their regular tithes and offerings, it shifts the giving decision from the pastor to the individuals in your congregation. This becomes apparent as soon as the individual who is willing to make a contribution realizes that this is a personal matter between them and God, that they are the one deciding how much they will give by faith and deciding for themselves when the best and most convenient time is for them to give. Secondly, it encourages an individual to exercise faith in their giving which will work to grow a more mature Christian benefiting your church spiritually! Thirdly, whatever the amount of the offerings are that your Bible Paper Chart raises, it is providing much needed funds to produce more of God's written Word for those who otherwise might not receive it.

It also accomplishes one more thing that I consider to be very important, it separates and distinguishes the funds that are given to support missionaries from those that are given and designated specifically to produce God's written Word. Supporting missionaries and producing God's written Word are two different areas of responsibilities of the church. We ship these Bibles and Scriptures to missionaries in different foreign countries to be used as tools for the purpose of world evangelism because these foreign countries are where the greatest need is.

Regardless of where they are distributed, the church has a responsibility to print God's written Word because it is the Word of God! We produce God's Word because it is God's verbally inspired, infallible, inerrant, pure, preserved Word, and then we decide where God would have us to send them! Being obedient to our responsibility to produce God's Word then provides a solution for another need, providing Scriptures for foreign field distributions!

Of the few churches who have availed themselves of and are using these Bible Paper Charts, most of them are churches who also already support this ministry through their regular mission support. If a church is not financially involved in the production of God's written Word, in essence they are sending their missionaries they support to a foreign country without giving them any tools by which they can reach and minister to the people that God has called them too!

To a Christian, the greatest gift that you have ever received from God is your salvation, but to an unsaved individual, the most import gift from God that they can ever possibly receive is God's Word either written or spoken! Regardless, without God's precious Word none of us could or would be saved, without it we would not have a message to preach or a Bible to print, without it we would not have a church and without it we would all be destined for a Christless eternity!

For more information about this Bible Paper Chart, please call our office and ask for me or simply ask the secretary to send you a sample paper chart (reduced size) and the CD explaining how it works and how to promote it successfully in your church. The actual size of the chart is approximately 4ft. by 4ft. made to be mount on a wall so that those participating will be reminded of their commitment, others challenged and encouraged to participate and an opportunity for everyone to rejoice over what is and has been accomplished for the glory of God.

In light of the political situation in our country today, the civil unrest and rioting, the attacks on the church and Christianity plus the coronavirus, most Christians and even some non-Christians are wondering if the Lord's coming could be near and rightfully so! While some of us are praying that it is, the Bible says we are to occupy until He comes so we must keep "Pressing On" and keep planning for tomorrow as though His return may be months or possibly years away! According to the signs of His coming we know that His return is near. However, these signs are not given so that we will have time to stock pile food, water, weapons and go hide in a cave but rather, to compel and motivate us to do so much the more to serve God and evangelize the world as we see that day coming!

In this ministry, we feel that there is an "urgency" to get as much of God's Word produced and distributed as we possibly can and to do it as soon as we possibly can! Just think, when Christians are raptured out there will not be any more preached Word for some time, so the only light of the gospel left in this world will be the printed Word! So what can we do to produce more of God's Word you ask?

I'm so glad you asked! With some additional funds to purchase more paper and printing materials this ministry has the capacity to produce one-third more Scriptures than we have this year. Using a scale based on trailer loads of paper. This year we will use 20 trailer loads to produce 1.6 million Scriptures, our goal for 2021 is to produce 2 million Scriptures requiring 24 trailer loads of paper, but barring an unusual number of mechanical problems, I believe our web press is capable of consuming 30 trailer loads of paper in 12 months.

Thirty trailer loads of paper will produce 2.5 million Scriptures so the bottom line is; it all depends on how "urgent" growing our production is to those churches who are not engaged in the production and distribution of God's written Word!

Of all of our equipment, our web press is the key to our production, the most essential and unfortunately, also the most expensive. When we purchased the web press that we have now in 2004 it was 6 years into a completely almost new condition making it 22 years old this year. While I hope we will exceed the capacity of our web press in two to three years, we may not be able to depend on this press mechanically to get us there. Either way, we need to start planning for the time we will have to replace it.
