

Admissions Policy

Cornerstone Vocational Training (CVT) will consider all applications for admission to their Vocational Programmes and Functional Skills curriculum. All applications are considered unless the applicant is of an age outside of the funding criteria or has previously achieved the highest Level of learning offered by CVT.

All applicants must:

- Be aged between 14-19
- Not have achieved Level 2 in the qualifications offered by CVT

All applicants will:

- Have the right to a fair and reliable Initial Assessment (IA) to identify previous achievement and levels of learning
- Perform an English & maths IA using BKSB
- Advised on which qualifications are available and which levels they can enter at
- Identify which areas they need to work on in English & maths by performing a diagnostic assessment through BKSB
- Receive an individual plan of learning linked to the areas of need identified through their BKSB diagnostic and other qualifications they may engage in
- Expect a review of progress linked to their individual plan of learning
