

Bowls Leicestershire Ladies Benevolent Report 30th September 2022

Many thanks to all clubs who have supported the Fund over the years, especially during the last two years of uncertainty. I hope that we have met the needs of your ladies but there are times when you forget that the Fund is here all year round and not just at Christmas.

The Fun Day went off well even if we did have one of the few showers to hit us this summer, but it all added to the "fun". Your generosity added £570 to the coffers. Thank you for your support.

The accounts have been prepared and will be available soon so if any club would like to have a copy will the secretaries let me know or ask when we come together at the next meeting.

Donations for the coming year may be sent directly to me by cheque, via the BL returns sheet or by BACS. I'm happy to supply details on request if you are unsure.

We are waiting to assist you and your ladies if at all possible.

Carole Chamberlain Hon Sec/Tres
