## Monthly Permit Parking Rules & Regulations

- 1 Subject to the following conditions, a valid parking permit will be honoured on the carpark for which it was issued during the period, Monday through Friday, 6:00 am to 6:00 pm.
- 2 Parking after permit hours will result the permit holder being charged the applicable rates.
- 3 Post-dated cheques are required for a designated parking term of 6 months. Permit parkers applying during a term in progress will only be required to submit post-dated cheques of up to the end of such term. Cheques for parking permits must be dated the first of each month. For your convenience, we will accept payment by Pre-Authorized Withdrawal (CIBC Pre-Authorized Chequing Authorization form attached.) Each permit holder will be notified thirty (30) days prior to the expiration of their permit and must return the renewal form along with cheques for the new term within fifteen (15) days. At the end of the term, the expired parking tag must be returned to the respective parking lot operator before a valid one will be issued.
- 4 Purchase of a permit is a guarantee of a parking space. Parking spaces are available on a first come first serve basis.
- 5 Each permit parker will be issued a parking tag for a designated lot location. This tag will only be honoured at this location and only for the term for which it was issued. Only one parking space is allotted per permit tag. The permit tag, once issued, must remain visible in the vehicle's windshield, either hanging on the rearview mirror or sitting on the dash.

**CAUTION: Vehicles failing to have a valid and/or visible permit will be subject to a Fine under By-Law 75-155 and risk being towed.**

- 6 If you park in any space after the expiry of a permit tag, cancellation, or a non-payment, you will be subject to a Fine under By-Law No. 75-155.
- 7 N.S.F. cheques or non-payment will automatically cancel parking privileges.
- 8 **Permit tags must be returned upon cancellation.** The operator or the permit holder may cancel parking privileges by giving thirty (30) days written notice.
- 9 The fee is for the calendar month from the first of the month to the end of the month. No refunds will be made for any part of a month during which a permit is not used.  
**Rates are subject to change upon thirty (30) days written notice.**
- 10 Charges are for the use of a parking space only. The operator is not responsible for loss or damage of any kind whatsoever to a vehicle or its contents however caused. No employee has the authority to assume any liability on our behalf.
- 11 A permit holder is requested to check that his/her car is not blocking any other car, is parked properly between the posts or lines and right up to the chains, bumper blocks, barriers, etc. and that his/her car is locked before leaving the lot.
