WDC – *Cllr Watts reported the Wealden Parish Conference was held today and very well attended. Inspector Jon Gross outlined what is going to happen in the sector.*

A member of the public entered the meeting

Standing orders were suspended so a member of the public could discuss their concerns.

A small discussion took place with residents, members of the Parish Council and Cllr Bennett in regards to the flooding outside the shop and on the B2124 and the fact that the current conduit was not able to cope with the excess of water. In addition, it is thought that of the two pipes which are supposed to lead the water away one may have collapsed or be blocked.

Cllr Dart asked the residents to email all the relevant information to Cllr Bennett and to include the Clerk in any correspondence. Cllr Bennett will investigate this further and the Clerk will monitor the progress of the issue. Cllr Bennett will also ask for a survey of the area to be carried out.
