For your Information

We are really looking forward to welcoming you in the new season, as lots of improvements have been made during our closed period. So, what changes can you expect to find on your next visit?

- New individual showers/washrooms
- Additional toilets
- New baby wash/changing room
- Replacement swings inc a new birds nest swing
- New safety matting in the park area

We hope you love all the changes as much as we do.

Don't forget, our very own one-bedroom holiday home (Bluebell cottage) is available for bookings for next year. (Suitable for two people plus 1 dog) So the non-campers can come away too!

Please see one of our favourite reviews (pictured right), which made our day.

Bring on the new season so we can welcome back friends and make lots of new ones.

Now, it's time for me to sweep up the leaves and make a cuppa.

“ **Liked:** We would highly recommend Haywood farm campsite! We stayed with our 3 boys who are 11,7 and 6. Within 30 minutes of being there my 7 year old said, 'this is the best place ever. It's like kid heaven, so many fun things to do!' They made so many friends during our 2 night stay and enjoyed playing football, pool and table tennis. We were pitched right by the park so it was perfect for them to explore but still be in sight. The owners were so friendly and helped to answer all of our questions and even lent me a cork screw upon realisation that I'd brought a corked bottle of wine with me! Happy parents and happy kids! We will definitely be returning! Thank you so much for a fabulous stay!
