Summer 2023

Haywood Farm Caravan and Camping Park

What an excellent season so far and the weather has finally hit the sunny highs.

Our campsite is certainly getting noticed with two more awards, which is wonderful! So, we now hold the following awards: -

Tested by Tots Best Family Campsite 2022
iGap Best Campsite UK 2023
SME News Best Campsite West Midlands 2023

We really appreciate our campers booking directly, through our website or by just giving us a call.

I had a peep at our reviews on Pitch-Up, whom we are always grateful for helping in bringing new campers. Amazingly, we have had a straight 16 "10/10" reviews, which we are very proud and thankful for, thank you all.

Plus, we were awarded a fantastic 9.5 out of 10 for our reviews last season (2022)!
