

## Tips for an enjoyable stay

### **BBQs and Campfires**

When using a charcoal BBQ, please ensure it is kept off the ground. Bricks can be found by the fire points. Campfires are prohibited on our campsite.

### **Campsite Washrooms**

We kindly ask that you accompany children. Please note that our toilet and shower facilities will be closed for deep cleaning every day between 2-3pm.

### **Children**

Children need to run around and have fun but please supervise them at all times. Be aware of the reed beds and pond.

### **Dogs**

Dogs are very welcome. Please keep them on leads at all times and use the bins provided. Do not leave them unattended.

### **Waste and Recycling**

Waste and recycling must be placed in the large bins next to the barn.

Please take any bulky items home.

### **Quiet Time**

This is a quiet, tranquil campsite. Please always camp in harmony with your neighbours.

Quiet hours are between 10:30pm-07:30am. We request music to be turned off during this time.

### **Future Bookings**

Bookings can now be made directly on our website or for that personal touch come and see us at reception.

Our famous authentic Italian 12" stonebaked pizzas are available between 5-8pm. Please pre-order at reception.

Fancy staying in our one bedroom holiday home? Our Bluebell Cottage is available to rent for 3, 4 or 7 night stays. Dogs are also welcome. For more information please visit our website.

Follow us.

We would love to hear your feedback.

### **Newsletter**

Sign up to our email newsletters via our website.
