FDL GOP NEWS

FDL GOP Priorities

Spring Local Elections - 2024

We must prioritize safeguarding our local communities through upcoming Local Elections in the spring, even as the 2024 Presidential Election looms on the horizon. It is imperative that we focus on filling Town Boards, County Boards, and City Councils with conservative voices to strengthen our home front.

Fall Presidential - 2024

The FDL GOP will enthusiastically support the 2024 nominee, and in the meantime, we will remain unwavering in our support for the greatest president of the 21st century, Donald J. Trump.

Spring Supreme Court Race - 2025

The Spring of 2025 Wisconsin Supreme Court Election represents a rare opportunity, the last one for over a decade, to shift the court back to a conservative majority. We will embrace a forward-thinking perspective as we strive to secure the hard-fought victories we've all dedicated ourselves to achieving.

A Joyous Announcement and a Call for Support

Dear Fellow Republicans,

Today, I am overjoyed to share with you the wonderful news of the birth of my 10th child, Dorothy Love Bachleitner. Both mother and baby are doing exceptionally well, and our family is truly blessed by this new addition.

As many of you know, raising a large family is a profound commitment, one that comes with its own set of joys and challenges. But with Dorothy's arrival, I am more motivated than ever to ensure that Fond du Lac County and the great State of Wisconsin remain a free and prosperous environment for my children and yours to grow up in.

It is in this spirit that I want to remind you of our upcoming fundraiser. The Republican Party has always been a steadfast advocate for conservative values and principles, and it is through your unwavering support that we can continue to champion these ideals. I humbly request your help, as we need everyone's assistance to keep our party strong.

Join us for a great day of golf and a friendly dinner! Take a look at the fundraising teams' report on the other side for more details.

Over the last 17 months I have dedicated hundreds of hours away from my family to support and lead our party, working tirelessly to help candidates get elected and to ensure that our party remains a powerful force for conservative ideas. But I cannot do it alone. Your contributions, both in time and resources, are essential to our success.

Together, we can ensure that our party remains a beacon of hope for those who believe in limited government, individual liberty, and fiscal responsibility. Let us work hand in hand to preserve the values that make our state and our nation exceptional.

Thank you for standing with me and our party. Your contributions, whether big or small, will make a profound impact on our shared mission.

With deep appreciation and renewed zeal,

Timothy Bachleitner

Chairman, Republican Party of Fond du Lac County

Golf Outing and Banquet Update - Registration

There's less than a month until we gather in Waupun to crown the best golf team in the Republican Party of Fond du Lac County! This will be a great chance to get away from the office or job (or couch), stretch your legs, and support your local GOP. Registration is only \$75 per golfer (\$300 for a foursome) but ends on September 12, two weeks before the event.

In case you missed it, our first Golf Outing is scheduled for Tuesday, September 26 at The Rock Golf Club in Waupun. Sign-in will begin shortly after lunch. The 9 hole scramble will start at 2:30. Even rank amateurs will enjoy the "Best Ball" rules; just make sure that you have at least one competent golfer on your team.

Once the golfing is over, or if you are unable to get away for that much fun, a buffet dinner will be served in their opulent clubhouse at 6:30. ***Barbecued Brisket and Chicken Marsala top the menu, with roasted baby red potatoes and vegetables filling their supporting roles.***

Thanks to a generous sponsor, we are offering dinner tickets at Pre-Biden prices. Dinner is only \$15 per person!!! Children are welcome... or you can leave them at home for a nice "Date Night".

We have a pair of great speakers lined up for the evening.

Marcus Schroeder, who many of you should remember from last year's "Lincoln Day Luncheon", will be speaking on "Christ or Chaos: The American War of Ideologies".

Our keynote speaker is Loren Spivack, "The Free Market Warrior". Mr. Spivack has traveled the nation, speaking on the importance of capitalism and the unbreakable link between liberty and free markets. His "Free Market Store" was kicked out of the Concord Mills Mall in 2009 for selling material critical of the Obama administration. One person said that this seminar was "worth more than a whole college education."

Don't forget to bring along your wallet. There are silent auction items, raffle baskets, and numerous other ways that you can help support the party. After all, this is a fundraising event that won't work without your help. Someone even told me that there's a flamethrower on the raffle table!?!

If you haven't registered, there is only a short window available. We need to give a final count to The Rock by September 12. Please go to www.FdLGOP.com to sign up or Call or Text Chairman Bachleitner 920-238-0104 and He will get you on the guest list.
