## Golf Outing Wrap-Up

By: Andy Huebschmann

**What an absolute BLAST and enjoyable day we had!** With the funds we raised, we are able to stand against the "Crooked Joe Biden" administration. *I'm listening to a Donald Trump rally while I'm writing this, so don't be surprised if some of that finds its way into this article.*

The fundraising team put on a spectacular event. God stopped the rain in time so that we could play golf in the afternoon. The course was soggy, but the players were able to play the nine holes without getting soaked! Kim's artistic touch made the banquet room look fantastic. There were raffle and silent auction items that appealed to every individual. The "Mike and Mike Show" kept us running on time and moving forward. Everything came together to make a memorable event.

Over 100 people came to dinner at The Rock Golf Club! We had a wonderful time of fellowship, an awesome meal, and were warned about the erosion of our rights by our speaker Loren Spivack. If you missed him this time, and ever get a chance to hear his presentation, I strongly recommend it.

I would be remiss if I didn't recognize some of the people and businesses that made this event possible.

Russ Ratkowski was the brain who suggested holding a golf outing. He deftly coordinated the golf side of the event.

Kim McCollum decorated the banquet hall. It looked spectacular! She also donated a couple of beautiful baskets for the raffle. Honestly, I'm jealous of the a.

Loren Voss, the Turkey Commander, donated a turkey call and trophy. He was always willing to demonstrate how the call worked!

Gysber's Jewelry donated a fabulous pair of diamond earrings.

Ballweg Implement donated an electric Stihl chain saw and Marten Ace Hardware donated a Milwaukee leaf blower.

The McCollum family donated a Green Bay Packers team football.

Brandon Meat and Sausage donated a huge chunk of the main prize for the sweepstakes.

And finally, each of us owes a "Thank you" to Dr. Peter Timmermans! The only reason that dinner tickets were ONLY \$15 is because the rest of the cost was underwritten by Dr. Timmermans. He has a heart for this country the likes of which I have rarely seen.

For those of you who attended, thank you! For those who didn't, you missed a great event. I guess there's always "next time".....

# BE A POLL WORKER

**Poll workers need to be dedicated and want to do this.** *A message from Pam Behnke, Republican Party Election Integrity*  
I have been a Chair for my Ward for over 7 years. It's a long day but you are doing a great civic duty by helping with this very important process to retaining our Constitutional Republic! **If you are interested, please let me know by November 17<sup>th</sup> at 920-602-0258. ## Invitation:

### Next Members Meeting

**Date:** 10/26/23  
**Time:** 6:00 PM - 8:00 PM  
**Location:**  
Eden Community Center  
104 Pine St.  
Eden, WI 53018

### A new Feature in our Members Meeting: You requested it, and we've formulated a solution.

During our July members' meeting, we extended an invitation for direct input from our members regarding their foremost concerns. The almost unanimous consensus pointed towards the need for direct engagement with elected representatives, ensuring they uphold their commitments and adhere to our platform. To address this, we've allocated a formal 40-minute segment in our upcoming meeting. This will be conducted with specific guidelines, rules and time constraints, allowing members to hear directly from the assemblyman representing the district where the meeting will be held. This should be fun!

## See You There!
