A Note from the Board of Directions:
Fall is here the leaves are so beautiful; It truly makes someone see art in another form because it's not just on canvas or paper! The Tullahoma Fine Arts Center is definitely growing with nearly 200 members and numerous professional organizations working with us. Our first art/history exhibition has come to an end; seeing over 500 visitors from four different states which significantly aided in donations and participation in the Arts & Economic Prosperity 6 surveys from the Americans for the Arts; in which our participation was requested by the city of Tullahoma & Tullahoma Arts Council. Over the past month, we have hosted numerous organizations as well as directors the from Tennessee Tourism Development; which was informative and beneficial for our organization.

This month we will be hosting students from the Tullahoma High School Fine Arts Department under the direction of Kelly Orr, giving the students an opportunity to showcase their work at a professional institution. We hope that everyone comes out to support these young emerging artists who we hope will be future TFAC members and community leaders.

Finally, this is the season for being thankful; We are thankful for working with such a great organization and hope you all have a Happy Thanksgiving! "Gobble till you Wobble!"

Tennessee Army National Guard visits TFAC

We had an exciting, fun and informative visit with the Tennessee Department of Tourism Development, our city staff, Alderman Bobbie Wilson, Alderman Kurt Glick and Tullahoma Area Chamber of Commerce. Thank you to the Middle Tennessee Division Director and her staff for taking the time to visit the Tullahoma Fine Arts Center!

The visit included a tour of our facilities: TFAC Members Gallery and our array of exhibitions. TDTD is excited about the increased number of visitors that our organization has seen over the past few months! Our programs and initiatives are significant to the welfare of our community, economy and tourism!

Seasonal Painting Classes at TFAC

As a regional leader in the visual arts and history (in conjunction with the Camp Forrest Foundation) these types of exhibits and tours increase awareness about local artists, history and more in rural communities! We hope to continue to work with TDTD to increase awareness about the Tullahoma Fine Arts Center!

TAM Tennessee Association of Museums

The Tullahoma Fine Arts Center has been accepted as a member of the Tennessee Association of Museums. We are excited for this opportunity to connect with other centers, museums and archivists across the state of Tennessee. The networking provided by the Tennessee Association of Museums plays a significant role in the growth and success of our organization through professional means and opportunities.

Founded in 1960, the Tennessee Association of Museums fosters communication and cooperation between museums, cultural societies, and other members on matters of common interest to all. Their goal is to inform the public on the importance of understanding and preserving Tennessee's cultural, historical, and scientific heritage. They also encourage publication and dissemination of information on the state's past as well as the development of professional standards of members who bring that past to the public.

Tullahoma High School JROTC Visits TFAC

Over 500 Visitors from four different states visited our most recent exhibit, "Faith and Courage"; 74 of those visitors were Student Cadets from Tullahoma High School's JROTC. Colonel Jeffrey Johnson and the students were extremely grateful to be able to see all of the amazing art, artifacts, photos and history on display.
