## THE VERY SOUL OF STYLE

- The extra-fine case, polished chamfer between the top and side, and the five functional screws offer a perfect balance to the aesthetics of this icon.
- “Kissing E” logo embossed, the hexagonal shaped crown plays on the harmony of shapes.
- This timeless design embodies the very soul of style, in a quest of the perfect shape.
- The iconic tapered wave-link bracelet, flexible and guaranteeing an unmatched comfort ends with a deploying buckle.
- The full yellow gold model SKU 1216392 is only available in Jewelry clasp.

## L'ESSENCE MÊME DE L'ÉLÉGANCE

- *Le boîtier extra-fin avec chanfrein poli entre le dessus et le côté du boîtier ainsi que les cinq vis fonctionnelles offrent un équilibre parfait à l'esthétique de cette icône.*
- *Embossée du logo « Kissing E », la couronne hexagonale joue sur l'harmonie des formes.*
- *Le design intemporel incarne parfaitement l'élégance, dans une quête de la forme parfaite.*
- *Le bracelet vague iconique affiné, souple et garantissant un confort inégalé est assorti d'une boucle déployante.*
- *Seul le modèle en or 1216392 est pourvu d'une boucle joaillerie.*

## DIE WAHRE SEELE DES STILS

- Das ausgesprochen feine Gehäuse mit polierten Kanten zwischen dem Deckglas und der Gehäusesseite sowie die fünf funktionellen Schrauben verleihen dieser Ikone ein perfekt ausgewogenes Erscheinungsbild.
- Die sechseckige Krone mit geprägtem «Kissing E»-Logo verweist auf die herausragende Handwerkskunst von EBEL.
- Das zeitlose Design dieser Uhr verkörpert höchste Eleganz und Stil in seiner reinsten Form.
- Das charakteristische, anschmiegsame Wellenarmband bietet einen unvergleichlichen Tragekomfort und ist auf Faltschließe erhältlich.
- Das gelbgoldene Modell SKU 1216392 ist ausschliesslich mit Schmuckschliesse erhältlich.

## WELL-CRAFTED AND ENDOWED WITH DISTINCTIVE DESIGN

- Hexagonal case and five functional screws on the bezel.
- Dial with applied indexes enhanced with Super-LumiNova® or with diamonds.
- The 6 o'clock date window and the hand-applied Kissing E logo accentuate the adventurous character and free spirit of this timepiece.
- Brushed and polished, the bracelet with yellow gold-plated or stainless steel links offers the watch an unmatched comfort.

## UNE CONCEPTION SOIGNÉE, UN DESIGN SINGULIER

- Boîtier hexagonal ainsi que cinq vis fonctionnelles sur la lunette.
- Cadran avec index appliqués enrichis de Super-LumiNova® ou avec diamants.
- Guichet de date à 6h sur le cadran et logo «Kissing E» appliqué à la main.
- Brossé et poli, le bracelet pourvu de maillons plaqués or jaune ou en acier inoxydable offre à la montre un confort inégalé.

## UNVERWECHSELBARES DESIGN, EINZIGARTIGE VERARBEITUNG

- Sechseckiges Gehäuse mit fünf Schrauben auf der Lunette.
- Zifferblatt mit Super-LumiNova®-Anzeigen oder mit 11 Diamanten besetzt.
- Das Datumsfenster bei 6 Uhr und das applizierte «Kissing E»-Logo betonen das dynamische und moderne Design dieses Modells.
- Das gebürstete und polierte Armband mit Gliedern aus Edelstahl oder mit Gelbvergoldung verleiht dieser Uhr einen unvergleichlichen Tragekomfort.

## THE ACTION TIMEPIECE

- The models in this robust and sporty collection ensure unrivalled comfort thanks to the dynamic yet soft lines of their cases.
- The articulated bracelet with wave-shaped links is paired with a triple folding clasp, ensuring a perfect fit and great flexibility.
- Water-resistant to 200 meters, the case houses a Swiss automatic mechanical movement.
- This timepiece features a rotating bezel with ceramic ring for a modern, sporty look.
- This watch retains a retro touch with the Sportwave logo applied to the dial, the iconic signature of this collection.

## LE GARDE-TEMPS DE L'ACTION

- *Les modèles de cette collection robuste et sportive garantissent un confort inégalé grâce aux lignes à la fois dynamiques et douces de leur boîtier.*
- *Le bracelet articulé avec maillons en forme de vague est assorti d'une boucle déployante triple, assurant un ajustement parfait et une grande souplesse.*
- *Etanche à 200 mètres, le boîtier abrite un mouvement mécanique automatique suisse.*
- *Ce garde-temps est équipé d'une lunette tournante avec bague céramique pour une allure moderne et sportive.*
- *Cette montre conserve une touche rétro avec son logo Sportwave appliqué sur le cadran, signature emblématique de cette collection*

## DER DYNAMISCHE ZEITMESSER

- Die Modelle dieser robusten und sportlichen Kollektion mit ihrem dynamischen und gleichzeitig eleganten Gehäusedesign gewährleisten einen unvergleichlichen Tragekomfort.
- Das Armband mit wellenförmigen Gliedern ist mit einer Dreifach-Faltschließe versehen, die für eine perfekte Passform und höchste Flexibilität sorgt.
- Das Gehäuse ist bis zu einer Tiefe von 200 Metern wasserdicht und enthält ein mechanisches Schweizer Automatikwerk.
- Dieser Zeitmesser verfügt über eine drehbare Lünette mit Keramikring, was ihm einen modernen und sportlichen Look verleiht.
- Gleichzeitig bleibt dank der ikonischen Signatur dieser Kollektion – dem Sportwave-Logo – ein nostalgischer Retro-Touch erhalten.

# WARRANTY INFORMATION

# THREE-YEAR GUARANTEE A DEDICATED SERVICE POLICY

*A constant commitment to quality has always been one of the guiding principles of EBEL's corporate philosophy. The uncompromising technical standards we implement, corresponding to our "Swiss Made" label, are among the highest in the watchmaking sector. At EBEL, our foremost priority is customer satisfaction. And quality is a fundamental feature that will be found in all EBEL watch collections.*

Whenever dealing with professionals, it is important to "read the fine print". In the case of EBEL, such a detailed examination of its service policy enhances respect and understanding of how the brand envisions its work and its long-term relationship with its clients and final customers.

1. With the exclusion of their leather straps, all EBEL watches are covered by an international warranty against any manufacturing defect, that will be honored by all EBEL official service centers. The EBEL warranty is valid for a period of three years from the date of purchase of the watch from the authorized retailer.

For quartz watches, the battery is covered by the warranty for two years from the date of purchase only. Beyond these years of warranty, the cost of replacement of the battery at an official EBEL service center shall be borne by the consumer.

2. This international warranty shall only be valid if the watch has been purchased from a retailer approved by EBEL or its distributors, whose name, address and signature must appear on the front of the warranty card together with the indication of the date of purchase, the model of the watch and its serial number.
3. This warranty card must be presented together with the watch to an official EBEL service center or dealer for all in-warranty servicing. Any work performed on an EBEL watch by an unauthorized person or entity, or any alteration to the serial number engraved on the watch shall automatically render this international warranty null and void.

4. All EBEL watches are accompanied with directions for use including recommendations of care and maintenance that should be respected. This international warranty does not apply in case of damage resulting from improper use or mistreatment of the watch.
5. The terms of this international warranty do not in any way restrict or otherwise affect any possible statutory rights to which the consumer may be entitled by law in the country of purchase.

## KEEPING THE COMMUNICATION LINES OPEN

Approved EBEL service centers carry out repairs on the basis of the information you provide. Consequently, we would ask that you provide at least:

- A description of the work requested,
- The name of the person to be contacted, including full address, telephone and fax number and/or email address.

## 24-month warranty on service and repairs

Any recorded intervention carried out by an authorized EBEL service center is automatically covered by a 24-month warranty, whether or not the watch is under a 3-year warranty.

## Reply from the Service Center

An estimate for the repair is sent to you within a week, by fax, post or e-mail (depending on what you have indicated). It comprises two parts, depending on the technical specifications:

- the operations required to ensure smooth operation of the watch.
- a choice of additional options (watchcase-bracelet polishing, for example).

## Repair times

The time required naturally depends on the type of repair. For more urgent services, kindly contact the after-sales service before sending the watch.

# GARANTIE DE 3 ANS UN VÉRITABLE ESPRIT DE SERVICE

*EBEL a toujours fait de la qualité une philosophie d'entreprise. Les normes techniques sans compromis qu'elle applique, correspondant au label «Swiss Made», sont parmi les plus élevées du secteur horloger. La priorité absolue d'EBEL est la satisfaction de ses clients, et le souci constant de la qualité est une caractéristique fondamentale que l'on retrouve dans toutes les collections de la marque.*

Dans tout contrat, il ne faut pas manquer de lire «les clauses en petits caractères». Avec EBEL, l'examen détaillé de la politique des services permet de mieux comprendre la vision que la marque a de son œuvre, et de sa relation à long terme avec ses clients et les utilisateurs de ses produits.

1. A l'exception des bracelets en cuir, toutes les montres EBEL sont couvertes par une garantie internationale contre tout défaut de fabrication. Cette garantie EBEL, honorée par tous les centres de service officiels de la marque, est valable trois ans à partir de la date d'achat de la montre auprès d'un détaillant agréé.

Pour les montres à quartz, la pile est couverte par la garantie pendant deux ans à partir de la date d'achat. Au-delà de la deuxième année, le remplacement de la pile dans un centre de service officiel EBEL est à la charge du client.

2. Cette garantie internationale est valable uniquement si la montre a été achetée auprès d'un détaillant agréé par EBEL ou par ses distributeurs, dont le nom, l'adresse et la signature doivent apparaître sur la carte de garantie, avec la date d'achat, le modèle de la montre et son numéro de série.
3. Cette carte de garantie doit être présentée avec la montre au centre de service officiel EBEL ou à un revendeur agréé pour obtenir tout service relatif à la garantie. Toute intervention effectuée sur une montre EBEL par une personne non autorisée ou toute atteinte portée au numéro de série gravé sur la montre annulent automatiquement cette garantie internationale.

4. Toutes les montres EBEL sont accompagnées d'instructions d'utilisation comprenant des recommandations de nettoyage et d'entretien qu'il convient de respecter. Cette garantie internationale ne s'applique pas en cas de dégradation causée par une mauvaise utilisation de la montre.

5. En aucun cas les termes de cette garantie internationale ne peuvent restreindre ou affecter les éventuels droits statutaires conférés au consommateur par la loi en vigueur dans le pays d'achat.

## POUR UNE BONNE COMMUNICATION

Les centres de service agréés EBEL effectuent les réparations sur la base des informations que vous fournissez. De ce fait nous vous prions d'indiquer au moins :

- une description de l'intervention demandée,
- le nom de la personne à contacter, son adresse complète, son numéro de téléphone, de fax et/ou son e-mail.

### Garantie de 24 mois sur le service et les réparations

Toute intervention enregistrée et effectuée par un centre de service agréé EBEL est automatiquement couverte par une garantie de 24 mois, même si la garantie de 3 ans est échue.

### Réponse du centre de service

Un devis pour la réparation vous est transmis dans un délai d'une semaine maximum, par fax, courrier postal ou e-mail (selon ce que vous avez indiqué).

Il comprend deux parties, selon les spécifications techniques :

- les opérations nécessaires au bon fonctionnement de la montre.
- les options d'interventions supplémentaires (polissage boîte-bracelet, par exemple).

### Durée de la réparation

La durée de la réparation dépend naturellement de sa nature. Pour les services urgents, veuillez contacter le service après-vente avant de confier la montre au centre de service.

Une expérience de réparation et de service de classe mondiale pour les distributeurs, détaillants et centre de réparations EBEL est accessible en quelques clics sur [www.mgiservice.com](http://www.mgiservice.com)

Cette solution globale intègre de multiples monnaies et langues. Le MGI Service Portal est disponible à toute heure et accessible de partout. Il propose les services suivants :

# 3-JAHRES-GARANTIE

## EINE SERVICEPOLITIK IM DIENSTE DES KUNDEN

Qualität war für EBEL seit jeher Teil der Unternehmensphilosophie. Die kompromisslos angewandten technischen Vorschriften entsprechend dem Label «Swiss Made» gehören zu den strengsten der Uhrenbranche. Denn Kundenzufriedenheit ist für EBEL oberste Priorität und das ständige Bemühen um höchste Qualität ein grundlegendes Merkmal, das sich durch alle Kollektionen der Marke zieht.

Liest man die Garantiebestimmungen von EBEL genauer, so erkennt man in der Servicepolitik des Unternehmens, wie wichtig der Marke die Qualität ihrer Arbeit und ihrer langjährigen Kundenbeziehung ist.

1. Alle EBEL-Uhren sind durch eine internationale Garantie gegen jeden Fabrikationsfehler abgedeckt. Diese Garantie wird von allen offiziellen EBEL-Servicecentern weltweit gewährleistet und gilt drei Jahre ab Kaufdatum bei einem autorisierten EBEL-Konzessionär. Ausgenommen sind lediglich Verschleißteile wie Lederarmbänder.

Bei Quarzuhren fällt der Batteriewechsel in den ersten zwei Jahren nach Kaufdatum unter Garantie. Danach ist der Batteriewechsel kostenpflichtig.

2. Die internationale Garantie ist nur gültig, wenn die Uhr bei einem von EBEL autorisierten Konzessionär gekauft wurde, dessen Name, Adresse und Unterschrift auf der Vorderseite der Garantiekarte eingetragen ist, zusammen mit Kaufdatum, Modell- und Seriennummer.

3. Die Garantiekarte muss zusammen mit der Uhr einem offiziellen EBEL-Servicecenter oder Konzessionär bei jedem Garantie-Service vorgelegt werden. Bei von nicht autorisierten Personen oder Firmen durchgeführten Eingriffen an einer EBEL-Uhr oder einer Manipulation der eingravierten Seriennummer erlischt die internationale Garantie.

4. Alle EBEL-Uhren werden mit einer Gebrauchs- und Pflegeanweisung geliefert, die beachtet werden sollten. Die internationale Garantie gilt nicht bei Schäden, die auf unfachmännische Handhabung oder Missbrauch der Uhr zurückzuführen sind.

5. Die Bestimmungen der internationalen 3-Jahres-Garantie beschränken oder beeinträchtigen in keiner Weise Rechte, die für den Käufer im Erwerbsland nach nationalem Gesetz gelten.

### WIR BLEIBEN IN KONTAKT...

Die zugelassenen EBEL-Service-Center führen Reparaturen auf Basis der mitgelieferten Informationen aus. Wir bitten Sie daher um folgende Mindestangaben:

- Beschreibung der gewünschten Reparaturleistung,
- Name, vollständige Anschrift, Telefon, Fax und/oder E-Mail der Kontaktperson.

### 24-Monate Garantie auf Service und Reparaturen

Jede eingetragene Serviceleistung eines offiziellen EBEL-Servicecenters hat automatisch 24-Monate Garantie, unabhängig davon, ob für die Uhr noch die 3-Jahres-Garantie gilt.

### Antwort vom Servicecenter

Ein Kostenvoranschlag für die Reparatur wird Ihnen innerhalb einer Woche per Fax, Post oder E-Mail (je nachdem, was Sie angegeben haben) zugesandt. Dieser besteht aus zwei Teilen, je nach den technischen Spezifikationen:

- die nötigen Maßnahmen, um ein problemloses Funktionieren der Uhr zu gewährleisten,
- ein Angebot für Zusatzoptionen (z. B. Polieren von Gehäuse und Armband).

### Reparaturdauer

Die Dauer hängt natürlich von der Art der Reparatur ab. Für dringenderen Service, bitten wir Sie, den Kundendienst vor Einsendung der Uhr zu kontaktieren.
