Charles Wesley's famous hymn **Love Divine, All Loves Excelling** talks about Jesus as 'unbounded love' – a kind of love that cannot be contained, that works in our lives to free us and heal us. Unbounding Love seeks freedom and justice for us and all people.

Our daily reflections connect to the Lectionary throughout Lent, as we explore how the divine love of God can free us from whatever shackles us, hurts us or separates us from one another. As we join in, we are transformed inwardly and the world is transformed outwardly.
