WHAT OTHERS SAY ABOUT US

Carsten Sinß, Mayor City Oestrich-Winkel

The Hotel Schwan is a landmark in our city, serving as a gateway for (international) guests and students. I appreciate the concept of connecting residents with students.

As a former EBS student, it was important to me to turn our historic hotel into modern serviced apartments without losing its charm. Excited to welcome you at our upcoming events!

Janina Krick, Shareholder Hotel Schwan

Dr. Dorothee Hofer, Managing Director EBS

EBS alumni, students, and I have been staying at the Hotel Schwan for years. I am excited about the collaboration as it aligns perfectly with EBS and the living needs of our students.

During my two-year stay at Hotel Schwan while studying at EBS, I enjoyed a wonderful time and developed a great friendship with the hotel managers, Olaf and Martina.

Francesco D'Avanzo, Former EBS Student
