

# Daytona Motorsports Hall of Fame Museum

The official name of the museum is The **Motorsports Hall of Fame of America (MSHFA)**. Originally it was based in Novi, Michigan from 1989-2015 (for more information, see sources below). It was relocated to Daytona Beach, Florida in 2016. It is the only place that encompasses the gamut of American motorsports including cars, motorcycles, off-road, powerboats and airplanes. <msht.com>

"The overriding mission of the MSHFA is to celebrate and instill the American core values of leadership, creativity, originality, teamwork and spirit of competition embodied in motorsports. The MSHFA is operated by the nonprofit Motorsports Museum and Hall of Fame of America Foundation Inc." <msht.com>

Track  
Construction  
began 1957

Height of 31 percent banking  
- equivalent to 4 stories

Portal into the infield and track

Some of the Hall of Fame Inductees since 1989
