Interac e-Transfer Giving

Just like you might send money from your online banking account to a friend or a family member, you can give to the parish. Unlike typical e-Transfers, sending money to the parish does not require a security question.

The money is automatically deposited, and the parish is sent an email with the details. The parish is not charged a transaction fee.

Sending the e-Transfer

1. For the recipient email address, enter **etransfer@stcecregina.com**.

A message about the Autodeposit and no security question being needed appears.

2. For the Memo or Message, enter what the donation is for, such as regular, special donation including description, or Mass intention and details.

If this is a first-time donation, enter your address and phone number.

**Interac e-Transfer giving is an option.
If you prefer using donation envelopes, please continue.**

Thank you for your continued support.
