

ANIMAL KINGDOM

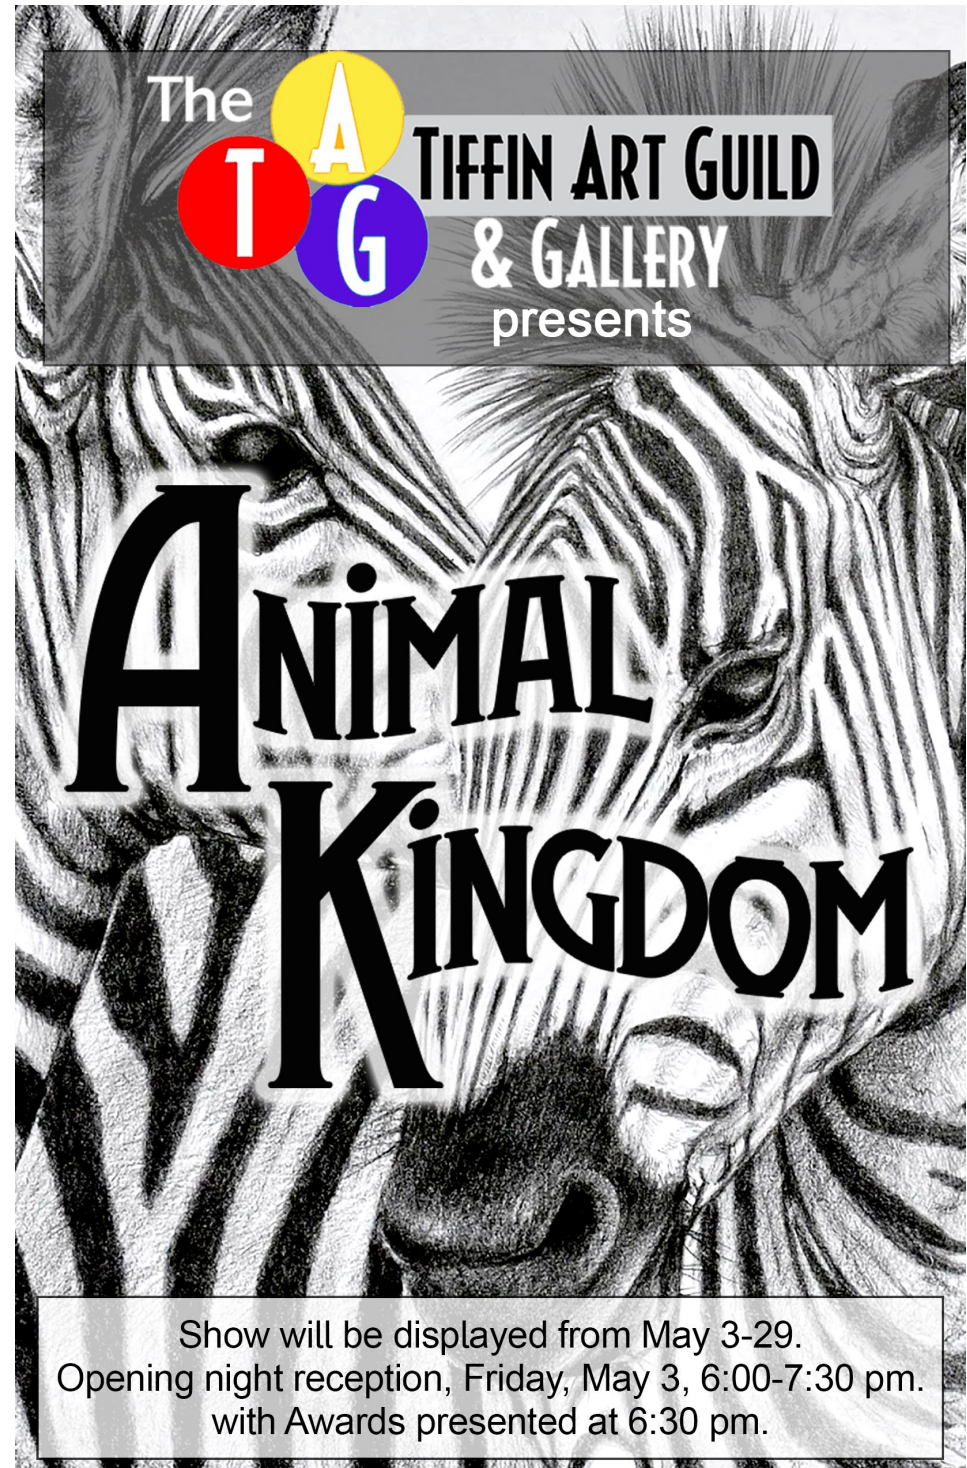

This exhibit should be a fun and emotional display of local artists' work. No matter what your artistic level or medium, animals always bring out the emotion of the viewer. Whether that feeling is loving, cute, scary, or funny, as viewers we tend to place human emotions on our furry friends.

Every exhibit we hold gives the artists a challenge to convey their creativity through their art, and the Animal Kingdom exhibit is no exception. This will challenge the artist with texture, composition, and the feeling of their work.

We are looking forward to this exhibit, which could include any medium, including, but not limited to, photography, paint, charcoal, watercolor, textiles, glass, digital, ink, pencil, jewelry, sculpture, and pastels. Every medium is welcome.

We hope to see your work in our gallery or receive a visit from you if you are unable to display it. This promises to be one of everyone's favorites.
