

# Scaletta Trio Jazz

**Tutti gli Standard Jazz e molti brani Pop rivisitati in stile Jazz..**

ecco alcuni esempi:

All of nothing at all  
Bewitched  
East of the sun  
Embraceable you  
I could write a book  
Exactly like you  
Just one of those things  
It could happen to you  
Our love is here to stay  
September in the rain  
Tenderly  
Sometimes I'm happy  
No moon at all  
Lover come back to me  
Yesterdays  
We'll be together again  
Dream a little dream of me  
Night and day  
Blue moon  
The girl from Ipanema  
Desafinado  
My romance  
I got rhythm  
Skylark  
But not for me  
Love is a losing game Parole parole  
Fragile  
Over the rainbow  
E ti ricordo ancora  
Se telefonando  
Sunny
