

## About Colston Hall

### CONGRATULATIONS on your engagement!

The Colston Hall is a beautiful, unique and quirky venue offering a choice of private halls, rooms and grounds and provides the opportunity for a truly individual wedding.

We at Colston Hall are a dry hire venue with a difference in that we allow the flexibility for you to source your own catering to suit your tastes and visions for your special day or you are welcome to use one of our fantastic suppliers that we have worked with many times. We supply a fully licenced and stocked bar, and also give you the option to supply your own wines, prosecco and champagne with a small corkage fee\*. Although we are a dry hire venue we provide you with an experienced and highly knowledgeable wedding coordinator to assist you in the planning stage and to coordinate the day to ensure your special day runs like clockwork. We pride ourselves in our excellent service and full flexibility on décor, catering and entertainment to help fulfil your visions of your special day.

We are also licensed to hold Civil Ceremonies if you are looking for the venue to hold all your celebrations in as we have 4 rooms which are licensed to hold Civil Ceremonies from 25 guests up to 140 guests.

The Colston Hall is a Grade II listed building set on the edge of Gerrards Cross Common and easily accessible from M40 and M25. We have large outside grounds and free parking on site. Just across the road is a lovely large wooded park which is the perfect location for the bride and groom to head off for some lone time and to get stunning photographs.

We have large grounds which are the perfect location to host a lavish marquee event, whether you have large guest numbers, 150+ or looking to have your reception in a marquee then we have the grounds and facilities to suit.
