ORDER FORM 2022

We're proud to be the Official Birkenstock Repair Shop.

Traditional Sandals, Clogs, Thongs, and London styles:

Resole: New outsoles and minor cork repair including cork sealant, and upper cleaning care.

Resole & Recork: New outsoles and patch cork on visible surfaces as needed including cork sealant, and upper cleaning care.

Recraft: **Most popular repair!** Send your beat up Birks, where the only thing left are the straps with all those years of character. We will rebuild onto new footbed with new outsoles, seal the cork, clean the uppers—and get them back where they belong—on your feet just like new.
